**Unconditional Love - My Father Killed My Mother... This is the True Story of How I Learnt to Forgive Him**

Natalia Aggiano, 2008-05-05 Elva Aggiano was murdered in 1997 by her husband Bruno. Of the four Aggiano children three vowed never to speak to their father again. Remarkably their daughter Natalia renewed her relationship with Bruno and became his friend and companion until his death in 2066. This is her astonishing story. Kind and loyal Elva was a bright young woman from a typical English seaside town who was swept off her feet by an older handsome Italian bodybuilder. It was all she had ever wanted: the promise of life as a loving mother and devoted wife. But a dark secret from her past left vulnerable to Bruno's brooding possessive nature and behind closed doors Elva's family idyll turned into a reign of terror of both mental and physical abuse for her and her children. Their daughter Natalia speaks for the first time about how the family suffered about her escape onto the streets aged 17 and her traumatic struggle to survive alone. Natalia finally persuaded Elva to run away along with her youngest son and for the first time Elva found the happiness and confidence that had always eluded her. But it was not to last. Giving way to Bruno's request to see his young son, Elva returned to the marital home where Bruno mercilessly stabbed her to death. Against all odds Natalia found the courage to stand by her father even after he'd ripped the family apart. During often harrowing visits to Rampton high security psychiatric hospital she learned to love Bruno for the first time. Her fascinating journey led Natalia to honour her mother's memory, finding a way to live forgiveness and unconditional love. **Amazing Peter Andre: An extraordinary young woman and so selfless Carol Vorderman**

**Fridays with my Folks** Amal Awad, 2019 Amal Awad's life changed when her father was diagnosed with kidney failure. It was a shock to see the impact it had on him both physically and mentally and the way the side effects trickled on to those around him. Work had always made him feel whole and retirement was a challenge. On a mission to help her father and support her mother, Amal began spending every Friday with her parents. She saw the gaps in discussion around ageing and sickness. Amal's personal experiences prompted her to explore how Australians are ageing, how sickness affects the afflicted and those around them, and what solutions exist when hope seems lost. So many people are similarly navigating a new reality: weeks dotted with doctor appointments, conversations that deplete and reveal at the same time, reshaped family relationships. Amal speaks with doctors, nurses, an aged care psychologist, specialists, politicians, ageing people living alone, and others in a retirement village to gain insights and to consider solutions. At a time when ageism and health is high on the public's radar, what we're not always talking about is how to deal with the anxiety, depression, and overall challenges that come with someone you love facing their mortality and a decline in health. **Fridays with My Folks** shares heartfelt, honest stories that will help others who are in similar positions. People who are having to reorient themselves when the boat has taken a battering and they have to take a new direction. This book stems from personal experiences but it expands to a much wider, more universal discussion about life, suffering, coping, and hope. **I Knew You Were Trouble** Sandy Barker, 2025-03-23 The BRAND NEW instalment in Sandy Barker's gorgeously romantic Ever After Agency series.
