Ladies' Home Companion, 1928 Specifications and Drawings of Patents Issued from the United States Patent Office United States. Patent Office, 1909 New York Supreme Court, *A New American Family* Peter Likins, 2012-12-07 By most accounts, Pete Likins has had a successful life. But his personal accomplishments are only the backdrop for the real story: the story of his family, whose trials and triumphs hold lessons for many American families in the 21st century. This poignant but ultimately empowering memoir tells the story of Peter Likins, his wife Patricia, and the six children they adopted in the 1960s, building a family beset by challenges that ultimately strengthened all bonds. With issues such as inter-racial adoption, mental illness, drug addiction, unwed pregnancy, and homosexuality entwined in their lives, the Likins tale isn't just a family memoir; it's a story of the American experience, a memoir with a message. With circumstances of race, age, and health making all of their children virtually unadoptable by 1960s standards, Pat and Pete never strayed from the belief that loyalty and love could build a strong family. Both Pete and Pat have served as teachers, and Pete's long academic career, holding positions as a professor, dean, provost, and then president, illuminates more than just his personal success. Pete's professional attainments produce a context for his family.
