PHI FACE F.J. ARENA,2012-06-12 Her devout Catholic family taught her to believe and trust in Divine intervention but when God did not intervene to save her twenty four year old detached at birth twin sister from leukemia she walks away from her religion and is on the eve of destruction After meeting Fib whose parents named him after their much loved mathematician and as a result grew up obsessed with the Divine proportion she postpones her appointment with death And when he shows her the correlation between the Fibonacci theory and nature and that in fact Mother Nature is not only kind but also showers us with wonders all beautifully created in Divine proportion just like her face she casts aside all thoughts of suicide She regains her faith and a fiery love affair ensues that is thought to last not a day shorter than forever but when she too is diagnosed with leukemia Fib sets his own appointment with death

*The Spirit of Adoption* Melanie Springer Mock,Martha Kalnin Diede,Jeremiah Webster,2014-10-14 The Spirit of Adoption explores many of the complexities inherent in adoption and its relationship to spirituality challenging us to move beyond the common mythologies about adoption to consider the more difficult questions adoption raises about the nature of God family culture
