**My Phillipe** Agatha Christie, Barbara Miller, 2000 Superintendent Battle of Scotland Yard struggles to find the person who penned the details of a vicious murder *Always My Love* Carla Simpson, A promise made a love stronger than even death itself It began like a dream that slowly washes over the senses teasing promising with half formed images The cool shadows of Ombre Rose surrounded her and she felt herself drifting All about she heard the murmur of the leaves the sigh of the breeze through the overgrown vines and flowers Promise me The words came from somewhere she couldn't seem to remember where It was then she felt it or perhaps only imagined it the lightest touch against her cheek like the breath of the wind Forever Promise me An incredible warmth wrapped around her almost as if someone's arms embraced her She might have struggled except for the arms that held her She might have cried out except for the lips that caressed her lips her cheek then retraced each touch with a fiery heat that left her breathless Was it a moment an hour a day Was it even real

Channel Surfing in the Sea of Happiness Guy Babineau, 2024-05-18 Channel Surfing in the Sea of Happiness is an iconoclastic romp through the end of the twentieth century The misfit characters in this funny and poignant collection of stories find themselves adrift in an increasingly absurdist world a world they must reinvent for themselves in order to find hope How much of our identity is forged by direct experience and how much is shaped by our constant exposure to a barrage of images and ideas imposed on us from elsewhere From a story about a precocious teenage boy coming out in high school in the 1970s to a series of tales about two queer con artists and their ridiculous get rich quick schemes to a yarn about a famous transgender sex worker's efforts to rally her community against redneck homophobes to an account of a lesbian puppeteer's AIDS activism in the 1980s to a story about a sister coming to terms with her brother's death from AIDS the collection explores how the human heart stays afloat in a society entertaining informing and networking itself to death
