Fundamentalist Journal, 1985 The Publishers Weekly, 1985 LIVING THE LAST WORDS OF JESUS ("YOU SHALL BE MY WITNESSES") Michael Bussen, 2023-10-13 Living the last words of Jesus is about essential effective and easy or at least easier evangelism for every Christian including us introverts This book seeks to help followers of Jesus become ongoingly good and faithful and fruitful witnesses for Jesus making Him and all in heaven happier and happier as in Luke 15 Also reaching more and more lost souls will bring eternal joys to them and more happiness to you as well as we enter into the joyful heavenly rewards of our wonderful Savior God So hopefully this book helps to make everybody it touches happier especially the Lord **I Am in me** Leonardo (Leni) Gomez, 2024-08-13 Have you ever looked at Christianity and thought There has to be more There has to be more to this God thing than just dressing up once a week and hearing stories about a living God yet most live the same as those who don't believe We say we believe in a God who created everything from nothing and we hear stories of the closeness that God had with men like Adam Abraham and Moses etc Unfortunately few demonstrate that type of relationship today This is coming from a person who was destined to hell because of the example of modern day Christianity I have discovered the truth He set me free and now I live a life of fellowship with the Father every day In this book you will discover the reality of a God not many people know You will encounter a real God you can enjoy a relationship with on a daily basis I challenge you to read and discover this true living God People preach about a relationship with God but last I checked any relationship you are in requires two way communication Jesus said My sheep hear My voice He also proclaimed that His Spirit which is the Holy Spirit would live in each and every one of you I Am in me *Christian Doctrine* Mike Higton, 2024-01-31 Providing an accessible one volume guide to Christian doctrine this is a thorough re write of the first edition Since the original was published many students and teachers of doctrine in theological colleges and beyond have been learning to take more seriously the global context of their work and to recognise the difference made by facets of their identities and social locations like race class gender and disability In this edition Mike Higton seeks to do

justice to this learning and invites readers to understand doctrine as an unfinished conversation between many different voices Fully updated for clarity and yet retaining its role as a rigorous introduction to its subject the book includes new interruptions which introduce voices that question the book s arguments and offer new directions for readers to pursue

Sefer BeMidbar as Sefer HaMiddot Reuven Travis,2018-09-07 While it is true the Bible does relate important episodes in the history of the Jewish people it is thought of as being much more than a history book This is why many question the Bible s rationale for including a book such as Numbers one that seems to be little more than a history book In comparison Genesis as a history book makes sense It tells of the creation of the heavens and earth and the foundational stories of the Jewish people Even Exodus which relates the departure of the Jewish people from Egypt has many legal sections This thus begs the question what exactly is the Book of Numbers and what role does it play in the overall narrative of the Bible Presenting Numbers as the book of character development is the major guiding principle of the pedagogical approach set forth in this book for teaching Numbers This approach can also be used for teaching Genesis However the characters in Genesis are portrayed as either very good or evil Not so in Numbers whose main personalities can and should be viewed in hues of grey making it a very appropriate vehicle for teaching character development to high school students **Let**
