My Posse Dont Do Homework:

My Posse Don't Do Homework LouAnne Johnson, 1992 They were called the class from Hell 34 inner city sophomores whose last teacher had been pushed over the edge Now they have a new teacher a pretty 98 pound ex Marine who would bully bluff and bribe her students into caring about school The major motion picture starring Michelle Pfeiffer and Andy Garcia will be released in December Excerpted in Reader s Digest Martin s *Hollywood or History?* Sarah J. Kaka, 2022-01-01 The rationale for the present text *Hollywood or History An Inquiry Based Strategy for Using Film to Teach About Inequality and Inequity Throughout History* stems from two main things First and foremost is the fact that the reviews of the first two volumes in the *Hollywood or History* series have been overwhelmingly positive especially as it pertains to the application of the strategy for practitioners Classroom utility and teacher practice have continued to be the primary objectives in developing the *Hollywood or History* strategy The second thing is that this most recent volume in the series takes it in a new direction rather than focusing on eras in history it focuses on the themes of inequity and inequality throughout history and how teachers can utilize the *Hollywood or History* strategy to tackle some of the more complicated content throughout history that many teachers tend to shy away from There is a firm belief that students connection to film along with teachers ability to use film in an effective manner will help alleviate some of the challenges of teaching challenging topics such as inequity and inequality in terms of gender race socioeconomic status and so much more The book provides 30 secondary lesson plans grades 6 12 that address nine different topics centered around inequity and inequality throughout history many of which connect students to the world we are living in today The intended audience for the book are teachers who teach social studies at the 6th 12th grade level both in the United States and other countries An additional audience will be college and university social studies history methods professors in the United States and worldwide
