My Problem With Christianity Is :

The Problem of Christianity Josiah Royce, 2001 Josiah Royce's late masterpiece *The Problem of Christianity* is based on a series of lectures he delivered at Manchester College Oxford in 1913. It presents his philosophical interpretation of Christianity's fundamental ideas: community, sin, atonement, and saving grace, showing their relevance to the current confluence of world religions and grounding his position upon a personal transformation into genuine loyalty toward the community of the entire human family. *The Problem* opens up a mine of surprising treasures while its prophetic voice speaks to contemporary issues and current movements in ecumenics and inter-religious dialogue. Frank M. Oppenheim's new introduction highlights its relevance to some of the pressing problems of the new century. A notable contribution to the interpretation of Christian ideas. *The Nation*. Royce has contributed largely to the treasures of religious thought. *New York Times*. **Problems of Christianity and Scepticism.** Lessons from Twenty Years' Experience in the Field of Christian Evidence. Alexander James Harrison, 1891. **The Ultimate Problems of Christianity** John Clifford, 1906. *My Problem with Christianity Is--* Paul Weston, 1992. **Christianity and the Problem of Evil** Larry Lacy, 2021-12-16. This book deals with the problem of evil that the Christian faith faces. Is the Christian faith which affirms that there exists a God who is omniscient, omnipotent, and perfectly good improbable given the horrendous evils encountered by some in this life, and is the Christian faith improbable given the evils the Christian faith affirms for some in the age to come: eternal judgment and eternal punishment? Some reflective persons see the problem of these eschatological evils as the most serious challenge to the reasonableness of the Christian faith. I argue that once we become clear about what the New Testament teaches about each of these eschatological evils, a way is opened up to show that it is not improbable for us that each of these teachings of the New Testament is fully consistent with the perfect goodness of God. I then argue that the doctrines of eternal judgment and eternal punishment, properly understood, open up an important resource for dealing with the problem that the grave evils of this life create for the Christian doctrine of the omniscience, omnipotence, and perfect goodness of God. **Searching For Christianity** Norman Thornton, 2011-07-04. Taking a multi-purpose and inter-denominational approach, this is a book addressed to all Christians who in this sceptical age may be experiencing a religious crisis or doubts as to their commitment to Christ's teaching and Revelation. Whilst this book is written from the basis of conviction, it insists on demonstrating factual evidence. Nothing is presented which is contrary to the reason of the ordinary man or woman in arguing the basis of religious truth. With this in mind, the reader is taken through the Bible from the book of Genesis onwards, and answers are offered for many of those difficult questions which usually arouse anxiety in the minds of the faithful from time to time. In addition, the book offers questions and discussion topics at the conclusion of each chapter. This is an ideal handbook which religious teachers and ministers of all denominations will find helpful, written by a fully qualified scholar holding a doctorate in theological studies. **Critical Responses to Josiah Royce, 1885-1916** Randall E. Auxier, 2000-08-15. This set collects the most important

responses to the philosophy of Josiah Royce 1855 1916 perhaps the most influential philosophical idealist America has yet produced Royce's works in theology metaphysics logic history psychology epistemology social policy ethics and even his fiction are still widely read and discussed These volumes contain reviews of his most important books and ideas and therefore should be of use to the study of American philosophy and the history of philosophy **Debate on the Evidences of Christianity; containing an examination of the "Social System" and of all the systems of scepticism and infidelity of ancient and modern times. Held in the City of Cincinnati ... 1829, between R. Owen ... and A. Campbell ... Reported by C. H. Sims, Stenographer. With an appendix written by the parties. Edited by A. Campbell** Robert Owen, 1839

The Other Journal: Marxism The Other Journal, 2013-10-01 The literary critic and Marxist philosopher Fredric Jameson has said It is easier to imagine the end of the world than to imagine the end of capitalism The military social and political effects of capitalism are felt everywhere across the planet and even as we acknowledge the negative effects the imbalances of power the imperialist exploitations the social alienation we are captivated by its message of self sufficiency and success In this issue The Other Journal examines the potentially surprising intersections of Marxism with Christianity the ways in which this nexus of thinking and faith may help us contend with and recognize the powers of the market The issue features essays and reviews by Daniel Colucciello Barber Luke Bretherton Kevein Hargaden Paul Dafydd Jones D L Mayfield W Travis McMaken Christina McRorie Thomas J Millay Silas Morgan and David Schmidt an interview by Timothy McGee with Joerg Rieger fiction by Alex McCauley creative nonfiction by Jonathan Hiskes poetry by Brett Foster Elizabeth Myhr and Hannah Faith Notess and art by Steve Bakker and Benjamin Violet

Association Monthly, 1908 **What Is Wrong with Black People? - How Post-slave Psychology and Afrocentricity are Joining with Colonialism to Undermine Black Africa's Cultural Integrity** Joe Mints, 2007-12-24 The mood in the world today is such that either you believe that Black people are natural slaves or you believe that White people are evil by nature In either case you are in a stalemate you can't change nature can you Yet not only is it very improbable for someone to turn up slave or evil just by nature it is neither demonstrable that evil is conditioned by skin colour The question here is why should evil be White and why should evil's target be Black In other words what is wrong with evil always tending to choose Black In fact the actual question is what is wrong with Black people always tending to be evil's preferred targets This book simply personifies a totally different type of intuition where the most unsuspected a yet the most damning a causes of the suffering and the struggles of Africans in today's world are not only laid open with courage but also resolved with vision

The Western Christian Advocate, 1900 *International Problems and the Christian Way of Life* Inquiry (New York, N.Y.). Commission on international relations, Inquiry, New York. Commission on international relations, 1923 **Image, Incarnation, and Christian Expansivism** Mark S. McLeod-Harrison, 2017-04-17 I am the way the truth and the life says Jesus Yet the kingdom of heaven consists of all tribes races and peoples How do people of tribes who've never heard the

word of Christ enter the kingdom of God A strictly exclusivist account of the gospel seems to keep many people out of the kingdom of heaven An inclusivist approach is more consonant with Scripture and the love of God Yet standard models of inclusivism are problematic In this book McLeod Harrison a Christian philosopher considers what s wrong with both narrow exclusivist and narrow inclusivist accounts of the gospel and proposes a broad inclusivism called expansivism An expansive account of the gospel helps us understand the uniqueness and the openness of the gospel together Narrow exclusivism can lead to existential crises Narrow inclusivism appears to make not preaching the gospel better for those who ve never heard it Expansivism makes human access to the gospel unique to the individual person and enables Christian theologians to provide lots of different potentially conflicting and yet true accounts of the theological underpinnings of the salvation provided by Christ

The Baptist ,1921 The Watchman-examiner ,1924 **The Nation** ,1913 The Disproof of Christianity Adam Weishaupt,2013-01-25 This incendiary book constitutes a formal theological disproof of the central tenets of Christianity the Trinity and the Incarnation Christianity is a staggeringly false religion The reason most Christians continue to believe is that a they have been relentlessly brainwashed and b they don t actually know anything about Christianity The absurdities of Christianity can be understood only by examining the many heresies that sprang up in the early centuries of the Church challenging every aspect of orthodox Christian thinking These heresies have boxed in Christianity so much that all that s left is a statement of what Christianity ISN T It s only possible to be a Trinitarian Christian by stating the empty formula three persons in one God without ever daring to specify what person means Similarly Christians mouth the hollow formula of the Incarnation two natures human and divine in one person without having any idea of what nature means
