Samuel Griswold Goodrich,1844 **Lives of Celebrated Women** Samuel Griswold Goodrich,2020-09-28 It is an oft quoted proposition of Rousseau that the glory of woman lies in being unknown If this be true we shall deserve little credit for placing before the world these brief sketches of a few of the sex who have acquired celebrity among mankind We are disposed to think however that the oracular words of the Genevan philosopher though they may coincide with the despotism of the lords of creation who would arrogate not merely the sceptre of power but the trump of fame entirely to themselves like most other oracles are liable to many exceptions It may indeed be true that the happiness of women is generally to be found in the quiet of the domestic circle but that all without distinction should be confined to it and that whenever one of the sex departs from it she departs from her allotted sphere is no more true than a similar proposition would be of men Elizabeth of England though little to be esteemed as a woman did as much credit to her sex as her father did to his and while he enjoys the renown of having achieved the reformation in England she is entitled to the credit of having been not only his superior as a sovereign but one of the greatest sovereigns that ever occupied a throne Joan of Arc performed achievements for her country scarcely less than miraculous and Hannah More afforded by her pen more efficient protection to the three kingdoms against the volcanic shock of the French revolution than the entire army and navy of Great Britain Will any one pretend that these persons would have better fulfilled their destiny if confined to the quiet precincts of the fireside If woman is only to be a housewife why are gifts bestowed upon her that make her often the rival and sometimes the master of the other sex even in the higher walks of ambition Was Sappho's harp the mere echo of which has thrilled upon the ear of nearly thirty centuries given only to be touched in the secluded harem of some Lesbian lord Why had Sappho such a magic pen Roland so noble and dauntless a soul the maid of Saragossa a patriotism so inspired and inspiring if they were designed by their Creator only to preside over the nursery the dairy and the kitchen If women are created but to attend to the comforts of the other sex at home why are such spirits as those of the lovely and lamented Davidsons ever formed spirits bursting with music and poetry like the Eolian string that gives forth its unbidden melody only because God made it so Was Mrs Hemans designed but to serve her surly and unappreciating lord Are Lady Montagu Mrs Barbauld Madame de Stael Miss Edgeworth Miss Sedgwick Hannah More Mrs Sigourney who must be regarded as among the most efficient civilizers of modern times to be set down as violators of a great law which should govern woman's destiny In short shall we in Christian countries who make it our boast that we have elevated woman to free companionship with man still look backward return to the selfish philosophy of the Turk shut woman up in the harem and gloss over our despotism by quotations from the Swiss Diogenes Chicken Soup for the Soul Celebrating Brothers and Sisters Jack Canfield,Mark Victor Hansen,2012-08-21 There is no other family relationship quite like it Rivalry competition camaraderie love and support all are found in the bond between brothers and sisters Reflecting on the nuances of this special connection Chicken Soup for the Soul Celebrating Brothers and Sisters is filled with heartfelt stories that honor this unique relationship Chuckle as you recollect childhood squabbles and occasional teamwork

between you and your sibling Relive the struggles and frustrations you went through while growing up with someone you found difficult to understand Reflect on the poignant details of the sometimes painful path toward reconciliation in adulthood This remarkable collection illustrates the ups and downs of life with that special family member your brother or your sister Chicken Soup for the Soul Celebrating Brothers and Sisters honors the strength of this family bond These heartwarming tales of brothers and sisters illustrate the constant redefinition of their relationships and friendships throughout the years Filled with humorous thoughtful and heartfelt memories and experiences this extraordinary book celebrates the power and strength of having a friend in the family who will be there for you throughout your life *Celebrate reading!* Richard L.
