not you believe that psychics are real is not the point of this book writes Clifton Obviously there is ongoing appeal for such

things or God's Word would not keep warning against them. The point of my book is to show triumph over sin and darkness. The former professional psychic then known as Sandra McNeil reveals the true nature of New Age thought and practices and how God opened her eyes to deception and set her free. She presents practical insight for tactful dialogue with individuals caught in the web of such beliefs as well as tips for intercessory prayer. The inclusion of prayer strategies and discussion questions makes *From New Age to New Life* both theological and practical. With great experience as an author and editor as well as a doctorate of ministry from Oral Roberts University, Clifton does an excellent job of telling her story in five significant parts: *My Journey*, *Reflections*, *What Can Be Done*, *Prayer Strategies*, and *Talking It Over*. Like sharing snapshots from a trip, she also includes distinct scenes from her life. Each is followed by reflection in which she looks back on her experiences or thoughts with theological and biblical perspectives. In the process, she addresses how to help lost people out of the occult and New Age. Readers of this wonderfully written book will come away feeling warm inside, knowing good still comes out on top.

**BROKEN AND TEACHABLE** Troy Naeyaert, 2018-08-17. Can you remember a time in your life when Jesus became real to you? Jesus has always been a big part of my life. Jesus became real to me the afternoon of May 5, 2016. My decision to take a late afternoon motorcycle ride that day changed my life and began my journey to discovering God's mercy and grace. It's in times of brokenness and survival that we see how fragile life really is. Valleys and mountaintops are all part of this thing we call life. It is sad that it takes times of brokenness and loss for us to become teachable and dependent on God. Real life is found at the end of yourself and the beginning of openness to God. The pages within this book are my story. It is a story of ups and downs. A rediscovery of who God is and who I am in Christ. It is a story of God showing up each day to teach me about myself and my faith. And it is the story of how he continues to teach me more about myself and my faith as he deepens my dependence on him for the journey I am on. If your life is one of brokenness, this book is for you. **My Ride to a New Life** Michelle Sicard, 2001-06-30. [The Watts Family Travels to America in Search of a New Life; June 15, 1823](#) Carroll

Hart, 2003-06. This intriguing story will keep you reading for hours. Follow a boy named Jonathon on a journey of a lifetime as he leaves his home in Ireland for a new life in America. **New Life** Dale L. Brand, 1992. **Running Toward the Guns** Chanty Jong, Lee Ann Van Houten-Sauter, 2021-01-06. *Running Toward the Guns* is an autobiographical story and an accounting of Chanty Jong's personal inner self-healing journey that led to a successfully unexpected discovery. Jong survived the Cambodian genocide during the Khmer Rouge regime of 1975-1979, witnessing the horrors of the killing fields, torture, starvation, and much more. Her vivid narrative recounts the suffering under the Khmer Rouge, her perseverance to survive physically and emotionally, and her perilous escape to America. Her memoir relives the traumatic memories of her experiences and traces her arduous personal transformation toward a life of inner peace through intensive meditation.
