

A person wearing a red jacket and blue pants stands with their back to the camera on a dark, rocky outcrop. They are looking out over a vast, blue ocean under a pale sky. The scene is serene and contemplative.

I promised her I'd protect
him... and I'll do anything
to keep him safe.

My Sisters Child:

My Sister's Child Lyn Andrews, 2010-03-04 When her sister disappears can Ellen Ryan keep her beloved niece safe Lyn Andrews heart warming and dramatic saga of early twentieth century Liverpool My Sister's Child follows a young woman as she fights for the happiness of those she loves Perfect for fans of Anne Baker Kitty Neale and Maureen Lee For the inhabitants of Liverpool's Milton Street a steady income and a roof over their heads are luxuries The Ryan family have barely grown accustomed to such things when a fire destroys their father Jack's modest coal haulage business leaving Jack broken and his family facing ruin They're forced to turn to Conor Jack's brother from Ireland a man whose noisy joviality seventeen year old Ellen Ryan suspects hides a mean viciousness She's right and with her mother sick and her half sister Annie becoming increasingly feckless it's down to Ellen to fight Conor's tyranny But when Annie disappears leaving her baby on their doorstep Ellen begins fear for herself and for the life of the innocent child she has learnt to love What readers are saying about My Sister's Child I found this book so easy to read and so difficult to put down Her characters came to life Gripping from start to finish Lyn Andrews knows how to keep you interested Five stars *My Sister's Child* Karen Clarke, 2021-12-08 Wow This book cast suspicion on so many characters that I had no idea how it would turn out The definition of the perfect suspense novel NetGalley Reviewer I promised her I'd protect him and I'll do anything to keep him safe *My Sister's Child* Caroline Finnerty, 2016 **Northern Paiute-Bannock Dictionary**, 2012-05-22 Based on extensive fieldwork that spanned more than 50 years this comprehensive dictionary is a monumental achievement and will help to preserve this American Indian language that is nearing extinction **The Listening Ebony** Wendy James, 1999 Notions of the person and of the foundations of bodily and moral experience lie at the heart of this second ethnographic volume devoted to the Uduk speaking people of Sudan The first part discusses enduring elements of personal knowledge in the context of a hunter's worldview The second part gives an account of how alien religious discourse has confronted the Uduk in the course of the region's political history The third section tells the story of the contemporaneous rise of a new diviners movement in part an antithetical response drawing upon the older cultural strata The key act of the diviners is oracular consultation of the burning ebony wood through the ebony personal healing is sought and the foreign gods are kept at bay The author abandons a number of older anthropological paradigms and their relativist assumptions In drawing upon general moral philosophy historical writing and literary criticism she offers a modern humane analysis with important implications for the cross cultural study of religion In a new introduction Wendy James explains how the Sudan Ethiopian borderlands were overrun by war in 1987 and how all the villages described in the original edition were destroyed Having revisited the Uduk for various UN agencies she is able to provide an indication of the way in which they have since been embroiled in the war and how the survivors have increasingly embraced Christianity in the course of their exile She refers to her own reports and publications written since 1988 and to the TV documentary on the Uduk and other refugees which she

made with Granada in 1993 Details of other recently published work on the region and to relevant new emphases in anthropology which focus on displacement violence and memory have also been added *Blood Relations* Chris Knight, 2013-10-15 The emergence of symbolic culture is generally linked with the development of the hunter-gatherer adaptation based on a sexual division of labor This original and ingenious book presents a new theory of how this symbolic domain originated Integrating perspectives of evolutionary biography and social anthropology within a Marxist framework Chris Knight rejects the common assumption that human culture was a modified extension of primate behavior and argues instead that it was the product of an immense social sexual and political revolution initiated by women Culture became established says Knight when evolving human females began to assert collective control over their own sexuality refusing sex to all males except those who came to them with provisions Women usually timed their ban on sexual relations with their periods of infertility while they were menstruating and to the extent that their solidarity drew women together these periods tended to occur in synchrony The result was that every month with the onset of menstruation sexual relations were ruptured in a collective ritualistic way as the prelude to each successful hunting expedition This ritual act was the means through which women motivated men not only to hunt but also to concentrate energies on bringing back the meat Knight shows how this hypothesis sheds light on the roots of such cultural traditions as totemic rituals incest and menstrual taboos blood sacrifice and hunters atonement rites Providing detailed ethnographic documentation he also explains how Native American Australian Aboriginal and other magico religious myths can be read as derivatives of the same symbolic logic *The Folklore, Manners, Customs, and Languages of the South Australian Aborigines* George Taplin, 1879 **Godey's Lady's Book**, 1865 **Playing Dolly** E.
