My Sisters Keeper Learning To Cope With A Siblings Mental Illness:

My Sister's Keeper Margaret Moorman, 2002 When Margaret Moorman's older sister Sally was first hospitalized with schizophrenia in 1959 her family denied the truth to neighbors friends and even themselves Not until thirty years later when their mother's death made her Sally's sole caretaker did Margaret face the truth Now in this poignant memoir she tells the brave story of her struggle to come to grips with the legacy of her sister's devastating disease and its effect on her own life and on her entire family Margaret reveals her fears that she too would become ill and her ambivalence about having a family of her own She writes about the difficulties of assuming the responsibility for Sally's care while trying to manage her own career relationships and the birth of her first child And she tells how she and Sally finally learned to negotiate their relationship and accept each other Candid moving and ultimately healing *My Sister's Keeper* is a heartwarming story about two sisters and their love for each other Hallmark has presented *My Sister's Keeper* as a film starring Kathy Bates Elizabeth Perkins and Lynn Redgrave Book jacket

Helping Families Cope With Mental Illness Harriet P Lefley, Mona Wasow, 2013-05-13 In this age of spiraling health care costs it is imperative that the family's role in treating patients with chronic mental illness not be overlooked by policy makers and clinicians alike The families themselves insist that the government and care providing agencies learn new ways to relate to them and patients *Helping Families Cope with Mental Illness* is a comprehensive guide to the family's experience of chronic and serious mental illness for clinicians and educators in a wide range of mental health disciplines It details all major areas of the clinician family relationship consumer perspectives cultural diversity social policy ethical issues practical coping strategies research and training issues major service issues managed care and cost saving measures *Parenting Mentally Ill Children* Craig Winston LeCroy, 2011-03-03 This in depth exploration uses individual portraits to show what parents face as they love and care for their mentally ill children and cope with how the mental health system has failed them The Surgeon General has identified children's mental illness as a national problem that creates a burden of suffering so serious as to be considered a health crisis Yet what it means to be the parent of a mentally ill child has not been adequately considered until now *Parenting Mentally Ill Children* Faith Caring Support and Survival captures the essence of caring for these youngsters providing resources and understanding for parents and an instructive lesson for society Author Craig Winston LeCroy uses in depth interviews to chronicle the experiences of parents of mentally ill children as they attempt to survive each day obtain needed help and reach out for support and he lets them share their misunderstood emotions of shame anger fear guilt and powerlessness in the face of stigma from professionals family and friends The book concludes with a critical appraisal of the social policies that must be implemented to help and the reasons we should feel obligated to initiate them *From Madness to Mental Health* Greg Eghigian, 2009-12-10 *From Madness to Mental Health* neither glorifies nor denigrates the contributions of psychiatry clinical psychology and psychotherapy but rather considers how mental disorders have historically challenged the ways in

which human beings have understood and valued their bodies minds and souls Greg Eghigian has compiled a unique anthology of readings from ancient times to the present that includes Hippocrates Julian of Norwich s Revelations of Divine Love penned in the 1390s Dorothea Dix Aaron T Beck Carl Rogers and others culled from religious texts clinical case studies memoirs academic lectures hospital and government records legal and medical treatises and art collections Incorporating historical experiences of medical practitioners and those deemed mentally ill From Madness to Mental Health also includes an updated bibliography of first person narratives on mental illness compiled by Gail A Hornstein
