place where real moms could leave their most honest thoughts without fearing condemnation I pretend to be happy but I cry every night in the shower The reactions were amazing some sad some pee in your pants funny some brutally honest But they were real not a commercial glamorization I clock out of motherhood at 8 P M and hide in the basement with my laptop and a beer If you re already a fan lock the bathroom door on your whining kids run a bubble bath and settle in If you ve not encountered Scary Mommy before break out a glass of champagne as well because you ll be toasting your initiation into a select club I know why some animals eat their young In chapters that cover husbands The Biggest Baby of Them All to homework Didn t I Already Graduate Confessions of a Scary Mommy combines all new essays from Jill with the best of the anonymous confessions Sometimes I wish my son was still little then I hear kids screaming at the store As Jill says We like to paint motherhood as picture perfect A newborn peacefully resting on his mother s chest A toddler taking tentative first steps into his mother s loving arms A mother fluffing her daughter s prom dress These moments are indeed miraculous and joyful they can also be few and far between Of course you adore your kids Of course you would lay down your life for them But be honest now Have you ever wondered what possessed you to sign up for the job of motherhood STOP DO NOT OPEN THIS BOOK UNTIL YOU RECITE THESE VOWS I shall remember that no mother is perfect and my children will thrive because and sometimes even in spite of me I shall not preach to a fellow mother who has not asked my opinion It s none of my damn business I shall maintain a sense of humor about all things motherhood

On Account of Madness Phillip A. Hope, 2022-05-04 Take a trip down a madman's personal memory lane. Buckle up and hold on tight as you go through the decade of sex, drugs, and rock and roll, also known as the 80s. You will not be driving fifty-five because this story is about living life in the fast lane. Actually, the fast lane may be an understatement. It's more like warp speed down the highway to hell. Your pilot, who is a heavy metal singer from the day as well as an actor, shares his personal accounts of this exciting time. This is a very behind-the-scenes account both of the business and personal life of our deranged storyteller. This is an exciting and interesting tale explaining every brick in his wall, leaving nothing I mean nothing out. Hold on tight as this roller coaster story has many ups and downs. The highs are high, such as concerts, videos, parties, etc. The lows are low, such as alcoholism, betrayal, insanity, etc. Try it; you'll like it. From the beginning to the end, it rocks. It has all been documented for one reason only: *On Account of Madness*. Adult Conversation Brandy Ferner, 2025-07-30 April is a thoughtful yet sarcastic mother of two who tries her best to be a caring, connected mom in a middle-class culture where motherhood has become relentless. April rages at modern motherhood's impossible pressures, her husband's Dad privilege, and her kids' incessant snack requests. She wants to enjoy motherhood, but her idealist vision and lived experience are in constant conflict with one another. Is she broken, or is motherhood desperate for an answer? She seeks out a therapist and lands with an unexpected woman whose validation and wisdom gives April the clarity to reclaim herself and even start designing clothes, her pre-motherhood passion. But when the ever-elusive babysitter cancels last minute, April finds herself back at square one. She seeks guidance, but her therapist is now dealing with her own crumbling marriage, and instead of counseling, April convinces her to speed off to Las Vegas with her to help catch her husband cheating. With a little weed, alcohol, and topless pool hopping, plus a male stripper and some much-needed autonomy, the two find lost pieces of themselves that motherhood swallowed up. But neither one is prepared for how tested and tempted they will be, or for the life-altering choices their journey will force them to make. Who is guiding whom anymore? Alone Together Sherry Turkle, 2017-11-07 A groundbreaking book by one of the most important thinkers of our time shows how technology is

warping our social lives and our inner ones Technology has become the architect of our intimacies Online we fall prey to the illusion of companionship gathering thousands of Twitter and Facebook friends and confusing tweets and wall posts with authentic communication But this relentless connection leads to a deep solitude MIT professor Sherry Turkle argues that as technology ramps up our emotional lives ramp down Based on hundreds of interviews and with a new introduction taking us to the present day Alone Together describes changing unsettling relationships between friends lovers and families
