My Friends The Saints:

My Friends the Saints Lawrence G. Lovasik, 1996 My Friends the Saints by popular Catholic Book Publishing author Lawrence G Lovasik SVD contains inspiring prayers along with short biographical details of the Catholic Church's most popular Saints My Friends the Saints from Catholic Book Publishing is a beautifully illustrated large size book that children will love to read *It Is the Same Light* Daljit Singh Jawa, 2014-11-14 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the world's fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankind's religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the *It Is The Same Light* series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurmukhi history or context The following are some of the comments received on the volume 1 pages 1 200 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru Ji's message Thanks to S Daljit Singh Ji for the great work which will benefit future generations understand Guru Ji's message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn University Topeka Kansas Putnam's Monthly & the Critic ,1907 **Putnam's Monthly** ,1907 **"The" Ādi Granth Or**

Guidance for choosing among the options provided in the ritual texts **The Revelations of St. Birgitta of Sweden**
Bridget Morris, 2008-10-07 St Brigitta of Sweden 1303-73 canonized 1391 was one of the most charismatic and influential
visionaries of the later Middle Ages Altogether she received some seven hundred revelations dealing with subjects ranging
from meditations on the human condition domestic affairs in Sweden and ecclesiastical matters in Rome to revelations in
praise of the Incarnation and devotion to the Virgin Her Revelations collected and ordered by her confessors circulated
widely throughout Europe and long after her death Many eminent individuals including Cardinal Juan Torquemada Jean
Gerson and Martin Luther read and commented on her writings which influenced the spiritual lives of countless individuals
Birgitta was also the founder of a new monastic order which still exists today She is the patron saint of Sweden and in 2000
was declared with Catherine of Siena and Edith Stein co patroness of Europe Birgitta's Revelations present her as a
commanding and dauntless visionary who develops a contemplative mysticism that is always interwoven with social
engagement and a commitment to the salvation of the world The varied styles of her revelations are dominated by frequent
juxtapositions of memorable images and allegories that illustrate her fierce and fertile imagination her sharp powers of
observation and understanding and her passionate and receptive storytelling powers This is the second of four volumes and it
contains Book IV and Book V of the Revelations Book IV includes some of Birgitta's most influential visions with topics
ranging from the Avignon papacy and purgatory to the Hundred Years War Book V the Liber Quaestionum Book of Questions
takes the form of a learned dialogue between Christ and a monk standing on a ladder fixed between heaven and earth The
argument centers on the way in which God's providence is constantly misunderstood and rejected by self-centered human
beings The translation is based on the recently completed critical edition of the Latin text and promises to be the standard

in the Hymnody of Isaac Watts David W. Music, 2022-06-20 The hymns of Isaac Watts are a remarkable blend of biblical
theological liturgical poetic musical and practical dimensions some of which have seldom been touched upon in previous
studies of the hymn writer In this book you will find analyses of Watts's texts from each of these perspectives As shown by
this study it is not only these individual factors but their combination that made Watts's hymns innovative but also effective
and long lasting in his own time and that makes many of them still useful and widely sung today **Sanctity and Social**
