My Gaze Is Turned Inward Letters 1938 1943 Jewish Lives:

My Gaze Is Turned Inward Gertrud Kolmar, 2004-08-26 So a picture of Gertrud Kolmar a gifted Jewish writer struggling to sustain her art and family emerges from these eloquent and allusive letters Written in the stolen moments before her day as a forced laborer in a munitions factory began the letters tell of Kolmar's move from the family home in Finkenkrug to a three room flat in Berlin which she and her father must soon share with other displaced Jews They describe her factory work as a learning experience and assert in the face of ever worsening conditions that true art never dependent on comfort or peace is capable of triumphing over time and place Jewish Responses to Persecution: 1938-1940 Alexandra Garbarini, 2011-08-16 Published in association with the United States Holocaust Memorial Museum Jewish Responses to Persecution Volume II 1938 1940 is the second volume of the five volume set within the series Documenting Life and Destruction Holocaust Sources in Context This volume brings together in an accessible historical narrative a broad range of documents including diaries letters speeches newspaper articles reports Jewish identity cards and personal photographs from Jews in Nazi dominated Europe and beyond Europe s borders The volume skillfully illuminates the daily lives of a diverse range of Jews who suffered under Nazism their coping strategies and their efforts to assess the implications for the present and future of the persecution they faced during this period Volume II begins with Kristallnacht in 1938 and continues through the Jewish flight out of Germany the onset of World War II the forced relocation of the Jews of Europe to the East and the formation of Jewish ghettos particularly in Poland The twelve chapters divided into four parts track the trajectory of German expansion and anti Jewish policies chronologically attesting to a clear progression of persecution over time and space At the same time they reflect the vast differences in the responses of Jewish communities groups and individuals within and beyond the Germans grasp differences that resulted both from the unevenness of the Reich's policy toward Jews as well as the varied backgrounds traditions expectations and life histories of Jews affected by German policy This volume raises essential questions such as What was the spectrum of Jewish perceptions and actions under Nazi domination How did Jews affected directly or others standing on the outside view the situation In what ways were Jews able to influence their own fate under persecution What role did Jewish tradition play in how the present and future were interpreted The answers inherent in the documents are often varied or inconclusive nonetheless these sources add considerably to our understanding of the Jewish Responses to Persecution: 1938-1940 Jürgen Matthäus, Mark Roseman, Alexandra Garbarini, Emil Holocaust Kerenji, Jan Lambertz, Avinoam Patt, 2010 Volume II begins with Kristallnacht in 1938 and continues through Jewish flight out of Germany the onset of World War II the forced relocation of the Jews of Europe to the East and the formation of Jewish ghettos particularly in Poland First the Jews Rabbi Evan Moffic, 2019-01-15 For a basic introduction to anti Semitism past and present the first place to turn is now Rabbi Evan Moffic s First the Jews Dr Jonathan D Sarna Celebrated Author and Chief Historian of National Museum of American Jewish History Rabbi Moffic has written a book every Christian should read

Jewish Responses to Persecution: 1942-1943 Emil Kerenji, 2014-10-10 Published in association with the United States Holocaust Memorial Museum With its unique combination of primary sources and historical narrative this volume provides an important new perspective on Holocaust history Covering the peak years of the Nazi Final Solution it traces the Jewish struggle for survival which became increasingly urgent in this period including armed resistance and organized escape attempts Shedding light on personal and public lives of Jews the book provides compelling insights into a wide range of Jewish experiences during the Holocaust Jewish individuals and communities suffered through this devastating period and reflected on the Holocaust differently depending on their nationality personal and communal histories and traditions political beliefs economic situation and other circumstances The rich spectrum of primary source material collected including letters diary entries photographs transcripts of speeches and radio addresses newspaper articles drawings and institutional memos and reports makes this volume an essential research tool and curriculum companion Strangers in Berlin Rachel Elana

Seelig,2016-09-19 Berlin in the 1920s was a cosmopolitan hub where for a brief vibrant moment German Jewish writers crossed paths with Hebrew and Yiddish migrant writers Working against the prevailing tendency to view German and East European Jewish cultures as separate fields of study Strangers in Berlin is the first book to present Jewish literature in the Weimar Republic as the product of the dynamic encounter between East and West Whether they were native to Germany or sojourners from abroad Jewish writers responded to their exclusion from rising nationalist movements by cultivating their own images of homeland in verse and they did so in three languages German Hebrew and Yiddish Author Rachel Seelig portrays Berlin during the Weimar Republic as a threshold between exile and homeland in which national and artistic commitments were reexamined reclaimed and rebuilt In the pulsating yet precarious capital of Germany s first fledgling democracy the collision of East and West engendered a broad spectrum of poetic styles and Jewish national identities

From Things Lost Shirli Gilbert, 2017-05-15 An intimate history of the Holocaust that casts new light on our understanding of victimhood and survival In May 1933 a young man named Rudolf Schwab fled Nazi Germany His departure allegedly came at the insistence of a close friend who later joined the Party Schwab eventually arrived in South Africa one of the few countries left where Jews could seek refuge and years later resumed a relationship in letters with the Nazi who in many ways saved his life From Things Lost Forgotten Letters and the Legacy of the Holocaustis a story of displacement survival and an unlikely friendship in the wake of the Holocaust via an extraordinary collection of letters discovered in a forgotten trunk Only a handful of extended Schwab family members were alive in the war s aftermath Dispersed across five continents their lives mirrored those of countless refugees who landed in the most unlikely places Over years in exile a web of communication became an alternative world for these refugees a place where they could remember what they had lost and rebuild their identities anew Among the cast of characters that historian Shirli Gilbert came to know through the letters one name that appeared again and again was Karl Kipfer He was someone with whom Rudolf clearly got on exceedingly well there was lots of joking familiarity and sentimental reminiscing That was Grandpa s best friend growing up Rudolf s grandson explained to Gilbert He was a Nazi and was the one who encouraged Rudolf to leave Germany He also later helped him to recover the family s property Gilbert takes readers on a journey through a family s personal history wherein we learn about a

cynical Karl who attempts to make amends for his undemocratic past and a version of Rudolf who spends hours aloof at his Johannesburg writing desk dressed in his Sunday finest holding together the fragile threads of his existence The Schwab family s story brings us closer to grasping the complex choices and motivations that even in extreme situations or perhaps because of them make us human In a world of devastation the letters in From Things Lostact as a surrogate for the gravestones that did not exist and funerals that were never held Readers of personal accounts of the Holocaust will be swept Spatial Turns Jaimey Fisher, Barbara Caroline Mennel, 2010 The phrase spatial turns signals away by this intimate story the growing importance of space as an analytical as well as representational category for culture The volume addresses such emerging modes of inquiry by bringing together for the first time essays that engage with spatial turns spatiality and the theoretical implications of both in the context of German culture history and theory Migrating from fields like geography urban studies and architecture the new centrality of space has transformed social science fields as diverse as sociology philosophy and psychology In cultural studies productive analyses of space increasingly cut across the studies of literature film popular culture and the visual arts Spatial Turns brings together essays that apply a spatial analysis to German literature and other media and engages with specifically German theorizations of space by such figures as Siegfried Kracauer and Walter Benjamin The volume is organized in four sections Mapping Spaces addresses cartography in all forms and in its intersection with culture Spaces of the Urban takes up one of the key sites of spatial studies the city Spaces of Encounter considers how Germany has become a contact zone for multiple ethnicities and Visualized Spaces concerns the theorization of space in film and new media studies After Every War, 2013-10-31 They are nine women with much in common all German speaking all poets all personal witnesses to the horror and devastation that was World War II Yet in this deeply moving collection each provides a singularly personal glimpse into the effects of war on language place poetry and womanhood After Every War is a book of translations of women poets living in Europe in the decades before and after World War II Rose Ausl nder Elisabeth Langg sser Nelly Sachs Gertrud Kolmar Else Lasker Sch ler Ingeborg Bachmann Marie Luise Kaschnitz Dagmar Nick and Hilde Domin Several of the writers are Jewish and therefore also witnesses and participants in one of the darkest occasions of human cruelty the Holocaust Their poems as well as those of the other writers provide a unique biography of the time but with a difference These poets see public events through the lens of deep private losses They chart the small occasions the bittersweet family ties the fruit dish on a table the lost soul arriving at a railway station in other words the sheer ordinariness through which cataclysm is experienced and by which life is cruelly shattered They reclaim these moments and draw the reader into them The poems are translated and introduced with biographical notes on the authors by renowned Irish poet Eavan Boland Her interest in the topic is not abstract As an Irish woman she has observed the heartbreaking effects of violence on her own country Her experience has drawn her closer to these nine poets enabling her to render into English the beautiful ruminative quality of their work and to present their poems for what they are
