## **My Gran Does Judo:**

**My Gran Does Judo** Geoff Patton, 2005-11 Kids Co is a series of 16 readers for children aged 6-8 which helps to bridge the gap between reading scheme books and chapter books. Each book is designed to give little children the confidence of reading grown-up books. *Judokill* Bill Watson, 2022-10-28 Sensei Akeni is whistling when he strolls into a local bank to make a deposit unaware that just seconds later he will be lying unconscious the victim of a violent robbery. After he is questioned by the police and released from the hospital, the sensei of the town's popular judo club returns home only to be murdered as soon as he hangs up his coat. After officers Bill and Smithy are assigned to the investigation, they soon discover there are few clues to go on and that the town is being infiltrated by powerful criminal elements. Corruption has reached deep into the town and it appears that no one, including the police and judo club, is immune from the tendrils of a wayward lord, a London gang, and a Chinese triad. While danger lurks in the back alleys and a notorious coffee bar, the two cops, aided by a feisty retired schoolmarm and a laidback MI5 agent, must face down the powerful aristocratic and criminal forces. But will they be able to save the town and the county before it is too late? In this exciting prequel to the Chaos Factor, two young policemen in a sleepy market town launch a murder investigation that propels them down a dark path they never expected.

*Family Romance* John Lanchester, 2008-01-29 The author of *The Debt to Pleasure* digs into his family's extraordinary past in a memoir as enthralling as his finest fiction. It was only when his mother died that John Lanchester realized how little he really knew about his parents. With the cache of letters and papers she left behind, he set out to reconstruct just who his parents had been. In doing so, he did much more than trace the remarkable story of a reluctant international banker, a secretive former nun, and the life they shared; he also gained extraordinary insight into his own nature and a deeper understanding of the universal push/pull of family love and family loss. Part detective work, part evocation of character, this is above all compelling storytelling. **Surrealistic Trials** Hilary Jamron, 2014-06-01 We all have reasons for doing the things we do. We all have our own realities. It is my blessing to have more than one Hilary Jamron. When Hilary died, part of her soul refused to come back. That part of her higher self chose to remain where peace and simplicity reign. From that time forward, life would reveal itself in front of her, and she would simply step into her future. Decisions would be made without fear or hesitation, by an unconscious multidimensional consensus, and she would survive. She would travel through death and paralysis without self-pity or delay. The truth is that each of us is as limitless as space and time, having no boundaries, beginnings, or endings. Limits are illusions, delusions like pebbles that we casually kick out of our way as we move forward. Illness, pain, heartbreak, and life circumstances are all pebbles. There's no point in looking back when we've already kicked our earthly problems off to the side of the road. The kicking is a gentle toss of the foot, done in perfect synchronicity to the drumbeat of lessons learned. After that, the only direction is forward. *The Phantom of Greatness* Chi Sun Rhee, 2012-05-30 Chi Sun Rhee's work of four volumes, *The Phantom of Greatness*, is a masterpiece of twentieth-century epic fiction.
