My Guardian Angel:

My Guardian Angel, My Best Friend Lorna Byrne, 2020-11-05 A collection of children's stories by international bestselling author Lorna Byrne. Lorna Byrne says we all see angels when we are young children but are gradually conditioned to screen them out. Here for the first time she has written stories inspired by the real life of seven children whose lives were transformed and made better by their interaction with their guardian angels. Among these there is a story of a little girl called Suzy paralysed from birth and unable to play with other children. Angels play with her and bring her great happiness. In another story a little girl called Emma is mean to her classmates and gets her little brothers into trouble at home. Her guardian angel gradually prompts her towards a more harmonious and happy life. Tommy feels he is an outsider because he is no good at football. Then with his guardian angel's loving help and attention Tommy scores a brilliant goal. Lorna began telling stories to her daughter Aideen at an age when like all children she was beginning to focus far more on the material world and less on spiritual influences. These stories are written to show children the ways in which they can ask for help from their guardian angels and perhaps even to catch a glimpse of them.

The First Time I Encountered My Guardian Angel Michelle Napier Colombo, 2020-06-02 This is a true story of my life and how I was born with a gift from God. It wasn't

until later I was awakened that I realized I had these gifts I didn't know anyone like me I knew that I had always had someone talking in my right ear since the age of six I would call it my intuition I knew I was different because I was told things that were going to happen before they happened and had dreams of things before they happened It was later on that I found out that I was an earth angel And in fact that it was my guardian angel who talked to me and guided me And as you read in the book the events that had happened were always validated In the book I talked about a miracle resurrection of my dog which was also a gift from God an out of body experience and how my spirit travelled to a different place I see angels and talk with angels My guardian angel who you will be reading about who we refer to as Mama Angel has guided me throughout my life along with the other angels and that will be coming out in my next book called Concrete Angel where there will be more stories of miracles and healings where I can tell you how to connect with your guardian angel and other angels and signs to look for when your guardian angel is near In this book I also talked about a high priest who came after me and knew who I was and what it took to defeat him I had many challenges in the early part of my life As I got older my gift got stronger My awakening didn't happen until I was forty eight You will read about many more miracles that occurred in this book
