Between Friends Debbie Macomber, 2022-01-17 The story of a remarkable friendship told in a remarkable way. A story in which every woman will recognize herself and her best friend Jillian Lawton and Lesley Adamski. Two girls from very different backgrounds become best friends in the turbulent 1960s, but their circumstances and choices and their mistakes take them in opposite directions. Lesley stays in their hometown. She marries young, living a life defined by the demands of small children, never enough money, and an unfaithful husband. Jill lives those years on a college campus, shaken by the Vietnam War, and then as an idealistic young lawyer in New York City. But they always remain friends. Through the years and across the miles, Jill and Lesley confide everything to each other, every grief and joy. Because the quality of a friendship is the quality of a life.

The Horses of Proud Spirit Melanie Sue Bowles, 2017-10-17 There are approximately seven million horses in the United States. Each year over 70,000 end up going to slaughter. Hundreds of thousands more are abused, neglected, or abandoned by callous and irresponsible owners. Here, horses that arrive listless and broken find a home where they finally know safety. The bond between horse and caretaker does not happen overnight. It hangs by a fine thread of trust.
