through you Join Yonggi Cho and Wayde Goodall in Prayer the story of Pastor Cho s personal life and successful ministry Readers will understand the different types of prayer value the importance of prayer learn why how and when to pray cultivate a lifestyle of prayer and receive new revelations of how to listen to the Holy Spirit Hear the secrets God desires to share with you and be immersed in His profound love *Today's Prayer* Stephen Kyeyune,2019-05-30 This book is written to all kinds of people because all of us need to pray Praying means asking None of us is exempted from praying because we are all dependants in one way or another Everything that is not God depends on God We are inadequate because there is no time we don t have expectations to meet We have shared human desires For example everyone needs to be loved We are all exclusively dependants on God because the desires of the human heart can only be found in the Lord Trying to fix things apart from God is the recipe of failure Praying is the greatest fellowship with God We pray to the all sufficient God because we are insufficient by ourselves Humanity with all human resources cannot save or fulfill itself Our desires are endless and are constantly changing For example our eyes are never satisfied with seeing we always want to see something new Our ears are never satisfied with hearing we always want to hear the current news Likewise the soul is never tired of yearning for the transcendent People take different avenues when seeking for fulfillment but only those who have discovered the power of prayer experience true fulfillment We are called to pray unceasingly because there is constantly a feeling of emptiness when we do not communicate with God Emptiness is the reality of the void that colonized the heart which was once a sacred space occupied by the Divine Praying is to be intimate with God it is having God s ear and eye in order to see the earthly things from the heavenly perspective **FACING TRUTH - "The Tale of Two Gardens"** Patrick J. Tabor,2013-04-01 This Book is based on the premise that the Bible is the objective Truth about created reality Like a young child looking into a kaleidoscope the picture of Christianity that we see in the world today is fragmented into an endless number of pieces and we struggle to put together a clear picture that makes sense 2000 years of Church History layers of Pagan Beliefs and Humanistic Philosophy have distorted and blurred the Bibles picture of the Faith that was taught by Jesus and the Apostles In addition to that our innate resistance to The Truth is our biggest obstacle to embracing what is true about God our selves and the Created Reality we live in and that makes coming to believe the Biblical Worldview at best very challenging It is my hope that this book will help you establish an authentic Biblical Faith and bring the distorted fragmented kaleidoscopic picture of Christianity in the world today back into focus as you continue your journey toward the gloriously wonderful Eternal Kingdom of God **Living by Grace In an Ungracious World** Tom Rhodes,2019-01-22 Living by Grace in an Ungracious World is not accomplished by self effort The word grace can describe the smooth movement of a ballerina or the long stride of an Olympic runner or even geese flying in formation in the sky Certainly this gives some idea that grace is a thing of beauty However the Biblical doctrine of grace has a much greater meaning for the Christian because it is not possible without the intervention of God Himself We will find in this book that biblical grace is granted from the Sovereign God who

brings that wonderful life through salvation and sanctification Our part is developed through a personal mindset and personal relationships by yielding to God s power True life in Christ is to be living by grace This is the road less traveled but the best road to walk on through our sojourn on earth as Christians The Complete Idiot's Guide to Christian Prayers & Devotions James Bell Jr., Tracy Sumner, 2007-02-06 How to talk to God Through practical examples The Complete Idiot s Guide to Christian Prayers and Devotions demonstrates the impact of down to earth conversations with God Organized by topic this volume is ideal for browsing through prayers and devotions according to the your interest from joy and depression to assistance and gratitude and contains both modern day prayers and prayers from antiquity The only book currently on the market to include both prayers and devotions for Christians Organized by topic joy depression giving thanks at holiday time asking for assurance prayers of contentment prayers of salvation and much more Author has written numerous books on religious topics and has been a prominent figure in religious publishing *Prayer: The Most Reliable Wireless Communication* Rev.
