My Heart Remembers William Addleman Ganoe, 1950 *My Heart Remembers* Flora Kidd, 1971 The Journey to Me Tammie Currier, 2008 Reflecting the mourning of the loss of a child who fell victim to abuse The Journey to Me takes an introspective look into the mind of a mother hindered by loss In her expressive and emotional collection of poetry readers will accompany author Tammie Currier on a cathartic journey of healing as she explores the darkness of life that brings crippling pain only to be moved into the warmth of hope and healing An inspiration to all who are affected by child abuse The Journey to Me will encourage sufferers to follow the light at the end of the tunnel of healing Catalog of Copyright Entries, 1946

My Heart Remembers Patricia McLinn, 2003 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1951 *Blooming Ashes* Kulsum Yasmin, Blooming ashes is about emotions and feelings of a soul which wants to be heard loved cared It depicts the curves of life she faces and how she deals with depression anxiety and rises from her own ashes to the love she blooms within Treasures of the Kingdom, Vol. 1 Rebekah Garvin, Jan Finnamore, 2007-02-23 Treasures of the Kingdom Vol 1 is a sampling from the King s Treasury of hearts of great price This Volume One is a collection of true stories of treasure found and restored by the Trinity It is a celebration of Their pursuit and rescue of our hearts What love What devotion Amazing **Four Scraps of Bread** Magda Hollander-Lafon, 2016-09-15 Born in Hungary in 1927 Magda Hollander Lafon was among the 437 000 Jews deported from Hungary between May and July 1944 Magda her mother and her younger sister survived a three day deportation to Auschwitz Birkenau there she was considered fit for work and so spared while her mother and sister were sent straight to their deaths Hollander Lafon recalls an experience she had in Birkenau A dying woman gestured to me as she opened her hand to reveal four scraps of moldy bread she said to me in a barely audible voice Take it You are young You must live to be a witness to what is happening here You must tell people so that this never happens again in the world I took those four scraps of bread and ate them in front of her In her look I read both kindness and release I was very young and did not understand what this act meant or the responsibility that it

represented Years later the memory of that woman s act came to the fore and Magda Hollander Lafon could be silent no longer In her words she wrote her book not to obey the duty of remembering but in loyalty to the memory of those women and men who disappeared before her eyes Her story is not a simple memoir or chronology of events Instead through a series of short chapters she invites us to reflect on what she has endured Often centered on one person or place the scenes of brutality and horror she describes are intermixed with reflections of a more meditative cast Four Scraps of Bread is both historical and deeply evocative melancholic and at times poetic in nature Following the text is a Historical Note with a chronology of the author s life that complements her kaleidoscopic style After liberation and a period in transit camps she arrived in Belgium where she remained Eventually she chose to be baptized a Christian and pursued a career as a child psychologist The author records a journey through extreme suffering and loss that led to radiant personal growth and a life of meaning As she states Today I do not feel like a victim of the Holocaust but a witness reconciled with myself Her ability to confront her experiences and free herself from her trauma allowed her to embrace a life of hope and peace Her account is finally an exhortation to us all to discover life giving joy

The Yellow Dahlias Mary Sandor,2020-07-03 This collection of short stories is very diverse dealing with difficult times of human suffering during World War Two and the Hungarian Revolution but it also celebrates the exultation that goes with winning a life of freedom There are also stories of life in the Golden Horseshoe area of Ontario and the enjoyment from the multitude of lakes and beaches the area has to offer Mixed in with these historically accurate stories are others purely from the imagination filled with clever fantastical locations and humorous characters that will leave the reader in thought but most likely laughter as well
