Carman, 2012-04 What would you do if you were lost in a 2 million acre mountain wilderness with no map

no trails no water and no way of finding your way home What would you do if you felt these were your last days alive on Earth and had no one to complete your life with How would you keep your hope alive and your will to survive strong when your options have run out How would your relationship with God change if He was the only one you could connect to These are some of the questions that went through author Blaine Carman's mind as he spent seventeen hours trying to navigate his way back to civilization after becoming separated from his climbing party on Mt Shasta the highest mountain in the contiguous United States A true story My Miracle on Mount Shasta takes the reader on a personal journey of the physical emotional and spiritual challenges that happen when you believe that these might be your last days on Earth More than just a survival story My Miracle on Mount Shasta addresses the question of what part our individual will really plays versus surrendering to a greater destiny in determining what happens with our lives Episodes of Fiction, 1870 **The Works of Oliver Goldsmith: The Bee and Essays** Oliver Goldsmith, 1900 **Paul Clermont's Story and My Own** Warrington Dawson, 1928 **Spooky Washington** S.
