Austin Freeman,2018-01-19 THE wayfarer on life s highway who has reached that stage of this earthly pilgrimage which is graciously miscalled middle age a period when the full blooded green of summer begins to show certain sere and yellow adumbrations of approaching autumn when the silvery frost of age has begun to gather on the temples and Time has written in many a lined inscription the epitaph of passions dead and gone of sorrows buried and forgotten if he should pause to look back and retrace in memory the stages of his journey will surely let his eye roam fondly over the fairer scenes the shady dells the flower sprinkled meadows the quiet streams by which he has rested in joy and peace rather than the dismal wilderness through which he has struggled despairing and dismayed The Reluctant Hero Adam Alexander Haviaras,2021-10-28 Long ago when gods and heroes walked the earth in triumph and tragedy true love and epic deeds were set among the stars In the city of ancient Corinth Bellerophon grew up in the corridors of the palace haunted by his father s gruesome death and distrusted and ignored by the rest of his own family He now spends his life in the shadows of society and that is how he prefers it However the Gods of Olympus have something more in mind for him After a violent incident in the mountains

Bellerophon is banished from his home for all time His path leads him to the court of an aged king in Tiryns where he is welcomed at first but due to the spiteful queen he is wrongly accused of another crime in a world that seems endlessly cruel Dejected and uncaring of what happens to him and his hateful life Bellerophon is sent across the sea to the court of King Iobates of Lykia At the urging of his seer the king welcomes Bellerophon as an honoured guest in his home until he discovers the reason for his arrival Seeking a way to be rid of Bellerophon without violating the sacred laws of Zeus King Iobates commands that he complete three impossible tasks to prove his innocence or bring about his death With the world set against him Bellerophon welcomes his imminent end That is until he meets the king s daughter Philonoe the only person who has ever believed in him and whose father has kept a dark secret from for many years With the Gods and Lykia s princess on his side can Bellerophon prove his innocence and help save Lykia and its people Will he finally accept the fate that the Gods have pressed upon him Or will he succumb to the despair and hopelessness that have dogged him all of his life Only by facing his deepest fears and a creature more terrible than any other of the Gods creation can Bellerophon truly succeed and become the hero he is meant to be The Reluctant Hero is an epic retelling of the story of Bellerophon and the Chimera from Greek mythology It is the fourth book in the Mythologia fantasy series by best selling and award winning author and historian Adam Alexander Haviaras If you enjoy books by Madeline Miller Stephen Fry Natalie Haynes or Jennifer Saint then you will love the Mythologia series Read The Reluctant Hero today and witness the rise of one of the greatest heroes of the ancient world
