

The background image is a photograph of a coastal scene during the 'golden hour' of sunset or sunrise. The sky is filled with soft, orange and pink clouds. The sea is calm, reflecting the warm light. On the left side, a large, dark, craggy rock formation juts out from the water. In the center of the image, there is a dark, semi-transparent rectangular box containing the text of the poem in a white, serif font.

Stimulating      **The Odeon** Daniel Tobin, 2025-08-11 The Odeon a new volume of essays by the celebrated poet and critic Daniel Tobin takes its title from the classical Greek and Roman buildings designed for the presentation of musical and poetic compositions Organized around the question of sensibility with its various social philosophical and aesthetic connotations the collection presents a sequence of related essays exploring both resonances and dissonances in the traditions of modern and contemporary poetry Although Tobin surveys a broad spectrum of works ranging from John Donne and Emily Dickinson to writers from the twenty first century such as Mark Doty Louise Glück and Carl Phillips his emphasis remains on details of poetic practice technique metaphysical outlook and artistic aspiration What most informs these essays is Tobin's own practice as a poet his own sensibility which is at once eclectic and yet very much calibrated to matters of what one theologian termed ultimate concern The Odeon offers an incisive foray into the state of the art of poetry in our time      **Poem a Day** Karen McCosker, Nicolas Albery, 2025-09-02 Fill your life with more poetry every day of the year Read it daily by yourself or use it to connect with friends or your book club A book for self discovery and also sharing with more than 100 000 copies sold This book is a dream a revivalist campaign a challenge a book of days and an anthology all in one The Guardian Features 366 poems old and new one for each day of the year each worth discovering sharing or learning by heart On most pages readers will also find brief often amusing always interesting details about the poets and their poems to enrich the experience Poem a Day makes an ideal gift for just about any occasion It can bring together friends and loved ones who whether across town or across the country can share the ritual of reading the same poem each day And it is a wonderful companion for anyone who wants to make poetry a part of everyday life Poem a Day is truly a beautiful poetry collection from the classics to the present The book provides a great introduction to poetry and poets a diverse range of poets and styles a short bio of each author at the bottom of the page which makes reading the poem more meaningful      Net of Jewels Ellen Gilchrist, 2013-11-22 Home for the summer in Dunleith Alabama Rhoda Manning's life appears at ease But the headstrong passionate 19 year old refuses to settle for a comfortable conventional existence Yearning for a life of profundity adventure and beauty Rhoda breaks from the seemingly secure world of her family to recklessly follow her dreams but not without tragic and disturbing consequences A failed marriage shady abortion an impulsive decision to sneak into a midnight meeting of the Klan dates with her shrink a deluge of booze and a bout of repentance all seem to vie as the means to Rhoda's own liberation Gilchrist unflinchingly takes us through the turbulence of Rhoda's formative years on an outrageous coming of age journey of a young white woman in the 1960's South digging through the bone to reveal the chill of human experience PRAISE One of the lies we enjoy telling ourselves is that when we were young we were crazy and wild But hey sensitive too and reflective full of conscience already evolving into the mature human beings we are now Ellen Gilchrist's novel Net of Jewels provides an uncomfortable reminder that more likely we were controlled by brute forces our raw emotions and emerging libidos our parents and our desperate need to fit in whatever that meant where and when we grew up Chicago Tribune Ellen Gilchrist refracts life through a prism

of precious gems a net of jewels Her fiction is always a kind of prose poem a dance of seven veils Like all of Gilchrist s work her latest novel dazzles and pulsates and even in the few passages of below normal sheen Net of Jewels still qualifies as an almost imperceptibly flawed diamond Los Angeles Times In her ninth book which begins in the mid 50 s Ellen Gilchrist tracks a 19 year old who drinks too much marries too young and is bored by her own children The plucky Rhoda Manning has appeared in many of Gilchrist s short stories in Net of Jewels she positively struts She struggles to free herself from the constraints of upper crust Southern society yet insists on enjoying all its advantages Interestingly Gilchrist chooses not to describe Rhoda s transformation into a better person If we could understand one thing entirely we might understand it all Rhoda philosophizes An engaging novel with beauty and emotional horsepower Entertainment Weekly

**England Renaissance** George Monteiro,2021-05-11 A poem is best read in the light of all the other poems ever written So said Robert Frost in instructing readers on how to achieve poetic literacy George Monteiro s newest book follows that dictum to enhance our understanding of Frost s most valuable poems by demonstrating the ways in which they circulate among the constellations of great poems and essays of the New England Renaissance Monteiro reads Frost s own poetry not against all the other poems ever written but in the light of poems and essays by his precursors particularly Emerson Thoreau and Dickinson Familiar poems such as Mending Wall After Apple Picking Birches Stopping by Woods on a Snowy Evening The Road Not Taken and Mowing as well as lesser known poems such as The Draft Horse The Ax Helve The Bonfire Dust of Snow A Cabin in the Clearing The Cocoon and Pod of the Milkweed are renewed by fresh and original readings that show why and how these poems pay tribute to their distinguished sources Frost s insistence that Emerson and Thoreau were the giants of

nineteenth century American letters is confirmed by the many poems variously influenced that derive from them His attitude toward Emily Dickinson however was more complex and sometimes less generous In his twenties he molded his poetry after hers But later after he joined the faculty of Amherst College he found her to be less a benefactor than a competitor Monteiro tells a two stranded tale of attraction imitation and homage countered by competition denigration and grudging acceptance of Dickinson s greatness as a woman poet In a daring move he composes out of Frost s own words and phrases the talk on Emily Dickinson that Frost was never invited to give In showing how Frost s work converses with that of his predecessors Monteiro gives us a new Frost whose poetry is seen as the culmination of an intensely felt New England literary experience

A Concordance to the Poems of Emily Dickinson S. P. Rosenbaum,2019-06-30 A Concordance to the Poems of Emily Dickinson is the third volume in the distinguished series Cornell Concordances Like the others it was programmed on an IBM 704 electronic computer and provides an alphabetical list of all significant words each word given in context In order to provide variants it was based on Thomas H Johnson s three volume edition of all the known texts of Emily Dickinson s poems Included are an analytical preface by the editor and an index of words in the order of frequency Emily Dickinson

Elizabeth Phillips,1988-01-01 Giving us a new sense of Dickinson it considers instead evidence of the poet Dickinson bore a heavy share of domestic duties and familial responsibilities throughout most of her life The crisis she experienced during the early 1860s in a cluster of responses to the Civil War coincided with the onset of her difficulties with her eyes Suffering from exotropia and photophobia she never fully recovered and gradually withdrew into the less severe light of the house in Amherst She continued to care for those close to her and to write both letters and verse From the perspective of Dickinson s maturity and resilience we also see her gift for depicting and dramatizing episodes in a manner that gives the illusion of their being autobiographical whether they are or not Dickinson was however an actress who changed roles and points of view as readily as she experimented with poetic genres Analyses of her various personae or supposed persons for dramatic monologues in the Browning tradition which enabled the poet to represent a range of experiences different from her own

serve to dispel much of the confusion that has surrounded her in the last century Rather than searching for an illusive absent center Phillips scrutinizes in a most revealing way the poet s reading appropriation and command of materials from the Bront s George Eliot Hawthorne the Brownings Shakespeare and the Southey for personae that introduce us to a Dickinson heretofore hardly glimpsed A central vision of the study is the poet as a biographer of souls     [Catalog of Copyright Entries.
