

A romantic couple is shown in a close embrace, their faces nearly touching. They are standing in a field of tall, golden-brown grass. The lighting is warm and soft, suggesting a sunset or sunrise, creating a romantic and intimate atmosphere. The couple is positioned in the center of the frame, with the man's arms wrapped around the woman.

In spite of myself, you are my truth.
you are my constant. You are my
proof of life. You are my vital sign.
With you, I more than breathe-I live.

The Prayer of My Life:How God Changed Me in Seven Months Tony Portugal,2010-03-24 What makes this book extremely unique is that the story portion minus the editing process was actually written in less than one week The principles which are at the end of the story were written during Tonys journey in his initial seven months with God In Tonys own words he says I was not raised in church I have never known God Truthfully I have never actually known myself My familys love and their concerns for my well being had always fallen on deaf ears Simply by establishing my life around counterfeit friends it forced me to live in the darkest reality of my time What changed I went to kill a manand instead Jesus interfered It is quite unbelievable how believable God really is The Bible would become the first Book I ever read Did I understand it at first No But the Bible is not based on logical thinking but illogical people Lord I refuse to leave Your presence until You bring out of me what You promised was in me With that same perspective the Bible contains a power that enables us to go beyond ourselves Its mind blowing how within seven months God can flip your world inside out

Bergeron, 2002-04 What can we know of the private lives of early British sovereigns Through the unusually large number of letters that survive from King James VI of Scotland James I of England 1566 1625 we can know a great deal Using original letters primarily from the British Library and the National Library of Scotland David Bergeron creatively argues that James correspondence with certain men in his court constitutes a gospel of homoerotic desire Bergeron grounds his provocative study on an examination of the tradition of letter writing during the Renaissance and draws a connection between homosexual desire and letter writing during that historical period King James commissioner of the Bible translation that bears his name corresponded with three principal male favorites Esm Stuart Lennox Robert Carr Somerset and George Villiers Buckingham Esm Stuart James older French cousin arrived in Scotland in 1579 and became an intimate adviser and friend to the adolescent king Though Esm was eventually forced into exile by Scottish nobles his letters to James survive as does James hauntingly allegorical poem Phoenix The king's close relationship with Carr began in 1607 James letters to Carr reveal remarkable outbursts of sexual frustration and passion A large collection of letters exchanged between James and Buckingham in the 1620s provides the clearest evidence for James homoerotic desires During a protracted separation in 1623 letters between the two raced back and forth These artful self-conscious letters explore themes of absence the pleasure of letters and a preoccupation with the body Familial and sexual terms become wonderfully intertwined as when James greets Buckingham as my sweet child and wife King James and Letters of Homoerotic Desire presents a modern spelling edition of seventy-five letters exchanged between Buckingham and James Across the centuries commentators have condemned the letters as indecent or repulsive Bergeron argues that on the contrary they reveal an inward desire of king and subject in a mutual exchange of love
