*The Light of the Christ Within* John Laurence, 2013-04-01 John Laurence minister modern mystic and direct disciple of the great spiritual master and world

teacher Paramhansa Yogananda author of the bestselling classic Autobiography of a Yogi presents in this volume of talks an outline of the inner path with practical spiritual teachings Laurence s speaking style is refreshingly straightforward and lively as he highlights timeless truths via fascinating stories from the lives of saints from East and West Laurence s message of how to grow spiritually is universal and non denominational and his compelling discussions of life after death are centered in the foundation of Laurence s own psychic abilities and high spiritual state      *Love Perfected, Life Divine* Swami

Kriyananda,2013-10-07 Inspired by Marie Corelli s book The Life Everlasting Swami Kriyananda direct disciple of the great world teacher Paramhansa Yogananda author of the classic Autobiography of a Yogi retells the dramatic story of a woman s discovery of her twin soul a discovery that propels her to undertake an arduous and perilous climb to the loftiest heights of spiritual awakening Fueled by her love the heroine must overcome harrowing challenges before she realizes the goal of her yearning in union with God Love Perfected Life Divine is a timeless tale that carries the reader to the heart of the inner quest As Swami Kriyananda wrote in his introduction The Life Everlasting is the only novel Paramhansa Yogananda ever finished reading I can understand why he did so It has a deep spiritual potential I myself have enjoyed it and have read it many times I would not have undertaken this endeavor however if Yogananda himself had not also addressed the subject of soul mates once so obliquely as to cry for clarification He said and to the best of my knowledge once only that everyone before attaining oneness with God must be united with his soul dual even if that dual is living on another planet and the union can be achieved only in vision The Life Everlasting exerts an undeniable spell It is not afraid to express openly the author s devotion to God without enclosing the reader in a narrow box of sectarianism I have rewritten this story because with all its faults I have always loved it I have cleared out massive amounts of excessive verbiage introduced a note of greater kindness cut out many pages as unnecessary and indeed deleterious to the lofty mood of the book I have rewritten the book also to make it correspond to my own beliefs I think as you read you will understand my reasons for the countless changes I have made And I conclude by saying I am happy with the results I hope you dear reader will be happy also      *Awaken the chakras* Jayadev

under one of India's greatest living gurus Swami Sri Yukteswar of Serampore Bengal People often make the mistake of equating the spiritual life with dullness and prudery These stories should help to dispel that illusion Mukunda's keen sense of humor and love of pranks often startled his more sedate neighbors out of their mental ruts The personality that emerges from these episodes is joyous compassionate childlike yet fiercely determined loyal deeply in love with God and capable of standing alone in his convictions against the very world These stories have been written from true episodes in the master's life from approximately the ages of six to seventeen Some of the accounts were related to me by his relatives others by childhood friends But the greater number were told me by the master himself I have taken no liberties with those accounts beyond adding superficial details for poetic emphasis an occasionally combining separate episodes too brief to stand alone into a single story Library Journal ,2006-04 **Do This Before Bed** Oliver Nino,2025-03-04 Transform your nightly routine into a gateway to abundance and fulfillment with Do This Before Bed where practical wisdom meets spiritual insight for tangible life changing results Discover the transformative power of your nightly routine in Do This Before Bed Drawing from two decades of expertise as an energy healer and spiritual activator Oliver Nino offers a treasure trove of practices to elevate every aspect of your life The period right before you go to sleep is a fruitful time for co creating with the universe and whatever we focus on before we go to bed sets the pace for how we experience our waking life In this practical guide you'll learn how to harness the untapped potential of your mind emotions and energy before drifting off to sleep By capitalizing on this crucial real estate of your consciousness you can set the stage for a life filled with love joy clarity purpose and abundance Whether it's visualization intention setting breathwork light therapy movement or journaling each practice is designed to catalyze profound identity shifts and accelerate your journey toward fulfillment From foundational routines to situational practices for healing and manifestation these simple yet effective exercises can be seamlessly integrated into your nightly ritual Accessible and easy to implement Do This Before Bed is more than just a book it's a practical companion for anyone seeking to optimize their life and amplify their well being Embrace these rituals and watch as inner transformation becomes as natural as your daily habits Get ready to unlock your fullest potential and embark on a journey toward a life of abundance and joy **Beginning Life Together** Brett Eastman,Dee Eastman,Todd Wendorff,Denise Wendorff,Karen Lee-Thorp,2002 This introductory group study gives you an overview of the five biblical purposes that God intends for your life **Memories of Heaven** Dr. Wayne W. issue an invitation to parents all over the world to share their experiences The overwhelming response they received prompted them to put together this book which includes the most interesting and illuminating of these stories in which very young children speak about their remembrances before they were born It seems that infants and toddlers often arrive here with memories of their lifetimes in the spirit world and frequently provide evidence of this to their immediate families They tell of dialogues with God give evidence that they themselves had a hand in picking their own parents speak about long deceased family members they knew while in the dimension of Spirit verify past life recollections and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm and even of times when telepathic communication took place as well as the ability to decide just when they would come here to Earth This fascinating book encourages parents and grandparents to take a much more active role in communicating with their new arrivals and to realize that there is far more to this earthly experience than what we perceive with our five senses
