My Life with the God Father of Blackjack Kimberly M. Roth,2003-01-31 *My Life with the God Father of BlackJack* Kimberly Roth,2003-01 This book is true to life only the names and some situations have been changed to keep the players unknown The author was part of an underground group of Black Jack players that spend their lives beating the dealer and living the high life with skill wits and nerves of steel **My Son A Gift from God** Jack Pusch,2010-05-07 I wrote this book to honor my son Bill He was truly a unique person and I want the world to know how special he really was He was an excellent husband father and a son we all usually only dream of having Not flawless but darn near Being responsible doing good work meeting all of our obligations while being totally honest about everything drove him He said he and I loved each other as father and son and that we were also best friends We really were I have strong opinions and so did he but we were so close that we could discuss anything that was happening and enjoy our togetherness His concern for Lisa Alexa and Ben about every aspect of their lives was his first duty as he saw it He personified the words honesty fairness and decency A real man s man he was He loved our country so much that he voluntarily returned to the Army for Operation Desert Storm I thought my son had given enough losing the lower lobe of the right lung He told me about convincing the doctor to take him back because he said it was his duty Fortunately he was sent to Hawaii instead of Kuwait After diabetes was found he joined the Army National Guard and later the Army Reserve so he could again have a military connection After he had to stop flying because of diabetes and knew he could never fly a Marine Corps Fighter Aircraft it was hard for him to accept I guess his thinking was that being an Army JAG Corps Officer was about as good as it could be His brilliant mind common sense humble soul and deeply rooted Christian Faith made him a wonderful man and me a proud father **The Unrevealing Shadow Walker** Catherine Martin,2022-03-21 Catherine Martin s book will give insight and understanding on why it s important to receive healing and deliverance from God and not wear a mask That disguise may not be detected by the human eye but God sees it and knows what is behind it This book will challenge readers to examine themselves and cry out to the Lord for help The author s transparency shows us that if God could heal and deliver her from past relationships and situations he could do it for anyone God s help and deliverance are always available Prophetess Catherine Martin s book is a very transparent account of her life and relationships She leaves no stone unturned in revealing the details of the trials and the triumphs in her life Martin s book shows that God is a healer deliverer friend and whatever you may need in this hour It is my prayer that this book would provide healing deliverance breakthrough and hope for all that read it Pastor Jennifer Thompson [Home with My Sisters](#) Mary Carter,2016-09-27 Faith Hope and Joy As children the Garland sisters seemed to fit together as seamlessly as their names Banding together helped them survive their free spirited parents who moved from place to place and whim to whim until their father took off for good But as the girls grew up they became virtual strangers This Christmas they intend to spend the holidays in their usual way far apart But their ailing grandmother wants her girls around her once

more and Hope always the peacemaker convinces her reluctant sisters to travel to Leavenworth Washington Hope is immediately charmed by the unique setting modeled on a Bavarian village and by her grandmother s handsome mysterious neighbor Still there s scant trace of celebration within the Garland family Joy s main motivation for visiting is to secure start up funds for a coffee shop Faith oblivious to her children s unhappiness is waiting until the holidays are over to announce that her marriage is over and she has a new love With a festive schedule of candy cane martinis hot tubs and snowball fights Hope tries to expose and heal old resentments but moving forward as a family will take more than a little seasonal goodwill Against a stunning winter backdrop Mary Carter brings rare insight to the deep and complicated nature of sisterhood a bond that endures far beyond childhood and can always bring us home again Praise for Mary Carter and her novels Guaranteed to become one of the books on your shelf that you ll want to read again The Free Lance Star on The Pub Across the Pond The unique spin Carter takes on the familiar theme of self discovery gives this a welcome fresh feel Publishers Weekly on My Sister s Voice
