**My Little House Diary** Laura Ingalls Wilder, 1995-05-05 Offers plenty of space in which young readers can record personal thoughts and occasions while providing accompanying illustrations quotes from the popular series and a lock and key Children's BOMC Dual Main **Lifescapes** Jeremy Burchardt, 2023-05-11 Why does landscape matter to us We rarely articulate the often highly individual ways it can do so Drawing on eight remarkable unpublished diaries Jeremy Burchardt demonstrates that responses to landscape in modern Britain were powerfully affected by personal circumstances especially those experienced in childhood and youth Four major patterns are identified Adherers valued landscape for its continuity Withdrawers for the refuge it provides from perceived threats Restorers for its sustaining of core value systems and Explorers for its opportunities for self discovery and development Lifescapes sets out a new approach to landscape history based on comparative biography and deep contextualization which has far reaching implications It foregrounds family structures and relationships and the psychological dynamics they generate These it is argued were usually a more decisive presence in landscape encounters than wider cultural patterns and forces Seen in this way landscape can be understood as a mirror reflecting our innermost selves and the psychosocial influences shaping our development This is a compelling and original study of the relationship between individual lives and landscapes

*Getting It in Writing* Deborah M. Stankevich, 2011-07-01 Sixteen teachers Sixteen journeys All on a quest to become outstanding teachers of writing All taking different paths to acquire and hone those skills that make a teacher effective From kindergarten to college teachers are faced with the daunting task of instilling the art of writing in their students From creative writing to research the art of writing incorporates the writing process to create the inking of our thinking These 16 teachers from across the nation have traveled a long and arduous path to seek and to reach for the methods and strategies that will make them successful writing teachers These are their stories *Lake of Secrets* Lael Littke, 2002-05-01 Can Carlene really be remembering things from a past life Strange fragmented memories have been haunting Carlene since she and her mother came to Lake Isadora The vivid recollections don't seem to relate to anything in Carlene's own past Until now she hadn't even seen the place where Keith the brother she never knew disappeared during a storm fifteen years ago Some think he drowned but his mother thinks he was kidnapped and is still alive somewhere She is sure the little boy's clothes that

have just been found near the lake belonged to her son Carlene knows that her bizarre memories have something to do with Keith They might even help her discover the truth about what happened the day he disappeared But she can't possibly be remembering things that happened before she was born unless the memories are from a past life *Little House, Long Shadow* Anita Clair Fellman, 2008-05-21 Beyond their status as classic children's stories Laura Ingalls Wilder's Little House books play a significant role in American culture that most people cannot begin to appreciate Millions of children have sampled the books in school played out the roles of Laura and Mary or visited Wilder homesites with their parents who may be fans themselves Yet as Anita Clair Fellman shows there is even more to this magical series with its clear emotional appeal a covert political message that made many readers comfortable with the resurgence of conservatism in the Reagan years and beyond In *Little House Long Shadow* a leading Wilder scholar offers a fresh interpretation of the Little House books that examines how this beloved body of children's literature found its way into many facets of our culture and consciousness even influencing the responsiveness of Americans to particular political views Because both Wilder and her daughter Rose Wilder Lane opposed the New Deal programs being implemented during the period in which they wrote their books reflect their use of family history as an argument against the state's protection of individuals from economic uncertainty Their writing emphasized the isolation of the Ingalls family and the family's resilience in the face of crises and consistently equated self-sufficiency with family acceptance security and warmth Fellman argues that the popularity of these books abetted by Lane's overtly libertarian views helped lay the groundwork for a negative response to big government and a positive view of political individualism contributing to the acceptance of contemporary conservatism while perpetuating a mythic West Beyond tracing the emergence of this influence in the relationship between Wilder and her daughter Fellman explores the continuing presence of the books and their message in modern cultural institutions from classrooms to tourism newspaper editorials to Internet message boards *Little House Long Shadow* shows how ostensibly apolitical artifacts of popular culture can help explain shifts in political assumptions It is a pioneering look at the dissemination of books in our culture that expands the discussion of recent political transformations and suggests that sources other than political rhetoric have contributed to Americans renewed appreciation of individualist ideals *The New York Times Book Reviews 2000* New York Times Staff, 2001 This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource *The Harold Nicolson Diaries* Harold Nicolson, 2024-08-29 One of the great 20th century political diaries Brilliant riveting stuff TRIBUNE One stops to marvel at the achievement Honesty decency modesty magnanimity are stamped on every page as evident as the wit

EVENING STANDARD A tremendous read SPECTATOR Harold Nicolson was one of the three great political diarists of the 20th century along with Chips Channon and Alan Clark Nicolson was an MP Conservative 1935-45 who also flirted with Labour after WWII He had previously been in the Foreign Office and attended the Paris Peace Conference in 1919 and material from this period is included in this new edition for the first time Nicolson never achieved high office but rarely a day went by when he didn't record what was going on at Westminster He socialised widely was married to the poet and author Vita Sackville West and together they created the famous garden at Sissinghurst Both were bisexuals and had affairs outside their marriage This new edition also draws on diary entries and letters previously considered too sensitive for inclusion The diversity of Harold Nicolson's interests and the irony in his writing make his diary a highly entertaining record of his life and times as well as a document of great historical value
