**Countermemory** April L. O'Brien, James Chase Sanchez, 2025 Countermemory A Rhetoric of Resistance investigates the interdisciplinary dimensions of countermemory through a rhetorical lens by drawing upon a mixed methodological approach that includes site based analysis participant observation textual analysis and historiography The authors apply these approaches to physical locations such as memorial sites and museums but also in digital spaces like music videos tv shows and maps to show the different ways that countermemory may exist

**Cherry's Army** Cherry Rose White, 2019 There have been many books written by and about people who have undergone horrible experiences in life My purpose in writing this account is not to describe the atrocities that I experienced It is to chronicle the recovery process and explain how I coped as a child and how I am coping now with Dissociative Identity Disorder There are other personalities in my body DID is very confusing and very scary If by recording my strategies in book form I can help even one person to deal with their own distress and either remain or become a functional member of society I will consider this account a success When I first began to put my account in book form I thought I would group the verses together according to the feelings expressed in them I did a few verses that way before I discovered that most of the verses portrayed a number of different feelings As I continued compiling the manuscript I decided to include them in the order that seemed to fit them I tried to keep them in the order they were written but as I had already mixed them up that proved to be impossible I tried very hard not to include any verses more than once Please excuse me for any duplicates

*I Forgot to Remember* Su Meck, Daniel de Visé, 2014-02-04 Just twenty two years old Su Meck was already married and the mother of two children in 1988 when a ceiling fan in the kitchen of her home fell from its mounting and struck her in the head She survived the life threatening swelling in her brain that resulted from the accident but when she regained consciousness in the hospital the next day she didn't know her own name She didn't recognize a single family member or friend she couldn't read or write or brush her teeth or use a fork and she didn't have even a scrap of memory from her life up to that point The fiercely independent and outspoken young woman she had been vanished completely Most patients who suffer amnesia as a result of a head injury eventually regain their memories but Su never did Nearly twenty years would pass before Su understood the full extent of the losses she and her family suffered as a result of her injury As a series of personally devastating events shattered the normal life she had worked so hard to build Su realized that she would have to grow up all over again and finally take control of the strange second life she had awoken into

**Loving Yusuf** Mieke Bal, 2008-09-15 When Mieke Bal reread the story of Joseph and Potiphar's wife as an adult she was struck by differences between her childhood memories of a moral tale and what she read today In *Loving Yusuf* Bal seeks to resolve this clash between memory and text using the same story in which Joseph spurns the advance of his master's wife who then falsely accuses him of rape as her point of departure She juxtaposes the Genesis tale to the rather different version told in the Qur'an and the depictions of it by Rembrandt and explores how Thomas Mann's great retelling in *Joseph and His*

Brothers reworks these versions Through this inquiry she develops concepts for the analysis of texts that are both strange and overly familiar culturally remote yet constantly retold As she puts personal memories in dialogue with scholarly exegesis Bal asks how all of these different versions complicate her own and others experience of the story and how the different truths of these texts in their respective traditions illuminate the process of canonization **The Prison of Buried Hopes:**

**After The Rift, Book 5** C.J. Archer,2020-05-05 From a multi USA Today and Wall Street Journal bestselling author comes this romantasy romantic fantasy the fifth in a 6 book series Just when Dane chooses Josie everything changes Sigh this was absolutely unputdownable Intense full of twists and turns Another page turner The quest to learn more about their past lives takes Josie the captain and their eclectic group of friends on an adventure across the Fist Peninsula Their mood is one of optimism as relationships deepen and new alliances are forged When some of the palace servants who lost their memories are recognized they know they re drawing closer to answers But being recognized in strange cities brings problems It seems the pasts they can t remember weren t as simple as they hoped The further south the eclectic band of friends travel the clearer it becomes that the sorcerer uprooted them from their lives for a reason With the truth within reach Dane is suddenly arrested for a murder he didn t commit In a desperate attempt to free him Josie promises to give a king the magic he desires in exchange for Dane s freedom Magic she doesn t possess Meanwhile in Josie s homeland of Glancia war is brewing

Morakduum (The Reforging) Aleeha Travis,2008-05-28 Against a backdrop of deep underground caverns close to the molten center of the earth High King Dorian Mytharia and his people the vaarakanan wage war against sinister forces that have invaded their home Facing declining birth rates and attrition from millennia of warfare the vaarakanan are doomed unless he can find a way to reverse this trend Dorian knows this ultimate challenge will be impossible to solve while under constant threat The only way he sees to ensure his people get the chance to change their future is a war of genocide against the invaders It is a decision that will either save his race or bring about their premature extinction The Archivists Martin

Ikedais,2025-01-28 The Archivists is a three part series of journals diaries and letters akin to an archival record taking the reader on a journey through space and time a journey which unbeknown to the readers or protagonists is manipulated by a young girl imprisoned within the timeless realm of the tyrannical Moloch Seeking to escape his influence the child uses her gifts and ingenuity to end his reign of terror Bequeathed documents unknowingly involve Marcus Eaton and his girlfriend into an ancient and deadly conspiracy Abducted and then imprisoned Marcus writes of his experiences recounting his travels investigating his uncle s discoveries Dr Regina Padgett the sole survivor from a failed space expedition grants Inquisitor Walter de Boer access to her memories Later ordered to a secret facility for further scrutiny she chances upon the testimony of Marcus Eaton and realises her crewmates were transported far into the past Horrified by this she joins forces with an intelligent garment called Suit and escapes Travelling across the globe to study the remains of her crewmates she learns of Moloch s plans and after battling to enter his realm she ends his tyranny for good *Palestinians in Jordan* Luisa

Gandolfo,2012-10-23 60 per cent of Jordanians are of Palestinian origin a statistic which has propelled Jordan into the role of both player and pawn in regional issues such as the birth of the state of Israel the prolonged Israel Palestine conflict the ascent and decline of Arab nationalism and the subsequent rise of political Islam and radicalism Exploring Jordan s diverse Palestinian communities Luisa Gandolfo illustrates how the Palestinian majority has been subject to discrimination all the while also playing a defining role in shaping Jordanian politics legal frameworks and national identity The conflicts of 1948 and 1967 the civil unrest following Black September in 1972 and the uprisings of 1988 and 2000 have all contributed to a fractious Jordanian Palestinian relationship In *Palestinians in Jordan* Gandolfo examines the history of this relationship looking at the socio political circumstances the economic and domestic policies the legal status of Palestinians in Jordan and the security dimension of Jordan s role in the region She argues that policies put in place over the last century have created a society that is marked by high levels of inter faith cohesion as evidenced by the success and integration of minority Christian communities She goes on to suggest that society divides along lines of ethnic and nationalist loyalty between Jordanians and Palestinians while domestic politics become increasingly fractious with the growth of Islamist groups that have gained grassroots appeal especially in the refugee camps Palestinians in Jordan looks through the kaleidoscope of Palestinian Jordanian identities that accommodate a complex and overlapping web of different religious affiliations mixed socio economic conditions and the experience of exile reconciled with daily life in Jordan At the same time identities of these communities continue to be rooted in an attachment to the concept of Palestine and the unifying force of the struggle against Zionism These layers have made the versatile and fluid nature of identities essential affording a fascinating study in inter communal dynamics and nationalism It is this which makes Palestinians in Jordan an important resource for those researching the Israel Palestine conflict as well as for students of the Middle East Politics Anthropology and Gender with an interest in identity

*Unexpected Return* Gladys Correa,2005-12 The author of *Unexpected Return* weaves a tale and leads us by the hand down the paths of her imagination fecund with dreams and ideas *Unexpected Return* s author starts off at a site from which she moves onwards in the vehicle of a narrative free from vanity and the constraints of effete literature Thus in the hands of her characters each masterfully situated within his own milieu she achieved that for which she was striving a concatenation of countless events woes tears tragedies and times of anguish which make each character spring to life upon this novel s stinging pages She describes with passionate affliction the arduous personal fight of one man to outrun a past which overshadowed his present and mercilessly punished him A man who unflaggingly sought a possible redemption to deliver him beyond all doubt to the embrace of the only woman whom he ever truly loved Faerie Brace-Face Lotus Rose, In this romantic sci fi fantasy tale Darren is a human boy who s fallen in love with a fairy girl named Cabby So when Cabby is forced to wear braces and flees their village as a result Darren has no choice but to follow the girl he loves because he never wants to be without her in his life He finds himself sucked into surreal adventures he hadn t expected but he endures it all for his

beloved Cabby This book is a treat for your inner child a fantastical unapologetically playful fairy story that is always utterly romantic This book is the first in a trilogy followed by Revenge of the Faebots and The Return of Mackenzie The second volume of the series Revenge of the Faebots is now available The Faerie Brace Face Trilogy Faerie Brace Face Revenge of the Faebots The Return of Mackenzie **Eternal Trap** Michelle Marchand,2019-05-30 Seemingly ordinary life in California is changed forever when Eveleen Barton is forced to deal with a series of dramas and disasters Having left Adicus James because of his abusive manner she seems to get her life back on track That is until one fateful night she disappears Her friends Chloe Jensen and Brooke Cole and lover Jaxson Smith must find out what happened to her Will she return alive

Parenting Steven Tuber,2016-06-24 Parenting Contemporary Clinical Perspectives offers fresh insights into treating parents and their children that highlight the evolving role of parents throughout the lifespan and amidst contemporary social pressure and change By drawing from their own personal experiences as well as those from clinical practice distinguished clinicians and analysts examine each phase of parenting through a variety of lenses to tackle our biggest parenting questions While we must be highly present for our children to help them develop a sense of self worth we must simultaneously step back if we want them to develop a sense of autonomy and individuality As our role as parent changes how can we maintain a sense of grace humor and perspective How can our work in practice inform and enrich our parenting and vice versa Thoughtful and engaging this volume is a valuable resource for family therapists and clinicians especially those who are parents themselves **Replika: Sky's Mission** Hugo Bernard,2022-02-01 Described as The Matrix meets Inception They hacked her brother s brain Then sent him into the simulation Sky must now get to him first the future of reality is at stake an absolute blockbuster of a tale that not only absorbs every bit of your attention but will have you pondering about the nature of reality Pikasho Dekka for Readers Favorite Earth s ecological collapse is avoided when most of the world population agrees to permanently upload into a simulated reality called Replika But the stability of the system is threatened when a group of neuroscientists hack their brains to interact with the simulations in unforeseen and dangerous ways Sky devotes her life to rebuilding the real world left in the shadows of Replika But when she learns her brother who disappeared under mysterious circumstances is in danger she must choose which world needs her most All she wants is to find the brother she loves but she will unwittingly get entangled in a ploy to redefine reality HUGO BERNARD masterfully weaves a highly original and fast paced sci fi thriller with a convincing and thought provoking vision on how simulated reality will change our lives Replika is easily one of the best cyberpunk books I ve read this year S C Jensen author of Bubbles in Space a complex thriller about power and hope whilst never missing a beat K C Finn for Readers Favorite **Queen Mothers** Rhonda Jeffries,2019-08-01 Black women s experiences functioning as mothers teachers and leaders are confounding and complex Queen Mothers from Ghanaian tradition are revered as the leaders of their matrilineal families and the teachers of the high chiefs M ller 2013 Stoeltje 1997 Conversely the influence of the British Queen Mother on Black women in the Americas translates as a

powerless title of dis courtesy Characterized as a deviant figure by colonialists the Black Queen Mother's role as disruptive agent was created by White domination of Black life Masenya 2014 and this branding persists among contemporary perceptions of Black women who function as the mother teacher or leader figure in various spaces Nevertheless Black women as cultural anomalies were suitable to mother others for centuries in their roles as chattel and domestic servants in the United States Dill 2014 Lawson 2000 Lewis 1977 and Rodriguez 2016 provide explorations of the devaluation of Black women in roles of power with these effects wide ranging from economic and family security professional and business development healthcare maintenance political representation spiritual enlightenment and educational achievement This text interrogates contexts where Black women function as Queen Mothers and contests the trivialization of their manifold contributions The contributed chapters explore The myriad experiences of Black women mothering teaching and leading their children families and communities how spirituality has influenced the leadership styles of Black women as mothers and teachers and how Black women are uniquely positioned to mother teach and lead in personal and professional spaces

**Earthquake** Aprilynne Pike, 2014-07-08 Tavia Michaels has discovered that she's an Earthbound a fallen goddess with the power to remake the Earth and that a rival faction of Earthbounds the Reduciata has created a virus that is literally wiping swaths of the planet out of existence Tavia is captured and imprisoned before she can act on this information along with her eternal lover Logan Huddled in a claustrophobic cell they lose track of the days their attempts to escape proving as ephemeral as Tavia's newly gestating powers But then Tavia and Logan are mysteriously rescued They're brought to the underground headquarters of the Curatoria another group of Earthbounds that Tavia doesn't fully trust There she's told that she can save the Earth before it disappears She agrees Tavia quickly realizes that she isn't like other Earthbound and as her abilities continue to awaken they begin to threaten her centuries long relationship with Logan When Benson Tavia's former best friend and romantic interest appears at Curatoria headquarters Tavia will again have to make a choice about who to be with even as she tries to stop the virus that is destroying the world and uncover the truth about the two Earthbound organizations that have her tangled up in their webs [A Long Way to Goulacullin](#) John Kingston McMahon, 2013-12-05 The
