CONNER, Carmen Conner, 2025-04-20 *My Mom Is a Beekeeper and So Am I* is a heartwarming story about a little girl who dreams of following in her mother's footsteps as a beekeeper. With each turn of the page, readers will join them on a delightful journey through the buzzing world of bees. Together, they learn the magic of beekeeping from caring for the hives to the sweet joy of harvesting honey. The Last Beekeeper Julie Carrick Dalton, 2023-03-07 Julie Carrick Dalton's *The Last Beekeeper* is a celebration of found family, an exploration of truth versus power, and the triumph of hope in the face of despair. Fans of Delia Owens will swoon to find their new favorite author Hank Phillippi Ryan. It's been more than a decade since the world has come undone and Sasha Severn has returned to her childhood home with one goal in mind: find the mythic research her father, the infamous Last Beekeeper, hid before he was incarcerated. There, Sasha is confronted with a group of squatters who have claimed the quiet idyllic farm as their own. While she initially feels threatened, the group soon becomes her newfound family, offering what she hasn't felt since her father was imprisoned: security and hope. Maybe it's time to forget the family secrets buried on the farm and focus on her future. But just as she settles into her new life, Sasha witnesses the impossible. She sees a honey bee, presumed extinct. People who claim to see bees are ridiculed and silenced for reasons Sasha doesn't understand, but she can't shake the feeling that this impossible bee is connected to her father's missing research. Fighting to uncover the truth could shatter Sasha's fragile security and threaten the lives of her newfound family, or it could save them all. Julie Carrick Dalton's *The Last Beekeeper* is a celebration of found family, an exploration of truth versus power, and the triumph of hope in the face of despair. It is a meditation on forgiveness and redemption and a reminder to cherish the beauty that still exists in this fragile world. Also by Julie Carrick Dalton: *Waiting for the Night Song*. Bella Vista's rambling mission-style hacienda, with its working apple orchards, bountiful gardens, and beehives, is the idyllic venue for Isabel's project and the perfect place for her to forget the past. But Isabel's carefully ordered plans begin to go awry when swaggering war-torn journalist Cormac O'Neill arrives to dig up old history. He's always been better at exposing the lives of others than showing his own closely guarded heart, but the pleasures of small-town life and the searing sensuality of Isabel's kitchen coax him into revealing a few truths of his own.
