Nightshades Harlow Daiger, Marley Del Wood, 2021-04-22 Brimming with horror, tragedy, suspense, and a hint of the supernatural, *Nightshades* is an anthology set in the Canadian Prairies and perfect to read on a stormy night. Told with poeticism and honest mercilessness, these thrilling tales explore the dark underbelly of being human in an often painful and unforgiving world. Two sisters visit their parents' graves every year until one of them goes too far. A young child reeling from a traumatic event befriends a mysterious boy in a hole. A cruel father is separated from his family under suspicious circumstances in an eerie Saskatchewan small town. A young girl with an affinity for horses becomes the target of unbridled evil. After moving to a new town with her family, a teen meets a friend who leads her down a one-way path to destruction. A woman struggles with depression until her internal world begins leaking into her external reality with monstrous results. The themes in *Nightshades*, ranging from the legacy of childhood trauma to twisted justice to the abuse of power to toxic relationships to mental illness and more, are topics that scarcely leave anyone in this world untouched. Unifying these nightmarish tales is the core truth that nothing is scarier than real life.

Grief with Ease Mercy Montes, 2016-12-09 Grief with Ease Summary By Anthony Vallez My life was never an Easy Peasy cakewalk in fact I encountered many hard times and went through countless phases and types of grief even though I did not recognize it at the time Well now I do and I want you to as well Grief comes in many forms and various phases in your life From grieving over a breakup to grieving the loss of a loved one you've all been through it Personally I loved change but when changes in life didn't meet with my expectations I fell into a form of grief that I did not yet recognize nor did I understand I thought I was depressed but actually I was experiencing grief The two are easily misunderstood and often confused with one another This book and the exercises in it are in tune to help foster a deeper understanding and ability to recognize grief in healthy ways to deal with it From this book my hope is that you to gain the ability to recognize various types of grief how they impact your life and how to cope with grief on a much gentler level Grief requires the acceptance of change and the resistance of change only induces pain and suffering when grief is chosen If you allow change and chose to be happy then you ultimately contribute to grief with ease If you instead avoid grief you then avoid life You must understand your grief to understand yourselves and enjoy life Anthony I Vallez
