Davis,2011-07-19 noneAs I was working on the cover looking at the photos of what our brain neurons look like I began to think it looked like one of my favorite games Asteroids when your goal was to destroy the asteroids before they destroyed your spaceship That was 30 years ago I thought how funny it would be to paint into the cover picture a space ship like that to see if anyone would notice it but the more I thought about it the more it made me laugh So I designed my own game in my imagination station and drew them out here for you to enjoy Ill call it Seizuroids with the goal to destroy all the meteorites called fear stress anxiety worry depression loneliness and anger before it hits the brain causing a seizure and destroying all the electrical neutrons Laughter truly is the best medicine **A Catechism of the Heart** Benjamin James Brenkert,2020-07-23 At the age of twenty five Benjamin James Brenkert a young man from Long Island a social work student and an internet vocation to the priesthood entered one of the historically boldest influential apostolic religious orders of the Roman Catholic Church Aged thirty four and a member of the Society of Jesus the Jesuits in good standing Brenkert was missioned to the laity by his last religious superior Brenkert could not come out publicly as a gay Jesuit and support his LGBTQ peers who were being fired from various church employment and volunteer activities because of whom they loved Brenkert had never concealed his sexuality from his religious superiors he knew all too well what was written in the Church s Catechism about homosexuals Still he felt uniquely called to respond to God s invitation to serve him in total love as a priest something confirmed in him in prayer during his thirty day silent retreat and affirmed to him by his religious superiors and peers throughout his life in the Jesuits In his Open Letter to Pope Francis in 2014 Brenkert wrote Pope Francis I ask you to instruct the United States Conference of Catholic Bishops to tell Catholic institutions not to fire any more LGBTQ Catholics I ask you to speak out against laws that criminalize and oppress LGBTQ people around the globe These actions would bring true life to your statement Who am I to judge In 2015 the United States Supreme Court struck down bans on same sex marriage in Obergefell v Hodges and in 2020 the United States Supreme Court expanded the Civil Rights Act of 1964 to

include discrimination based on sexual orientation and gender identity Despite these landmark achievements in the public sector LGBTQ Catholics still cannot receive communion and must always seek reconciliation Their flourishing as part of their religious community is always frustrated Brenkert s account of his life before in and after the Jesuits is interwoven with trials and tribulations but remains always full of hope written candidly and with bracing honesty Brenkert offers readers the opportunity to join him on a theological and spiritual pilgrimage one that ends with readers making a discernment The world today is full of distraction misinformation and timidity Brenkert s pilgrimage is full of conviction heartfelt written with an eagerness to help people of faith and no faith at all find their true selves all for the greater glory of God **I Was A**
