

GEORGES BATAILLE

My Mother  
Madame Edwarda  
The Dead Man

With an introductory essay by Yukio Mishima

# My Mother Madame Edwarda And The Dead Man

**Kevin Hart, Geoffrey H. Hartman**

## **My Mother Madame Edwarda And The Dead Man:**

**My Mother, Madame Edwarda, The Dead Man** Georges Bataille, 2015-05-07 In these three works of erotic prose Georges Bataille fuses sex and spirituality in a highly personal and philosophical vision of the self My Mother is a frank and intense depiction of a young man's sexual initiation and corruption by his mother where the profane becomes sacred and intense experience is shown as the only way to transcend the boundaries of society and morality Madame Edwarda is the story of a prostitute who calls herself God and The Dead Man published in 1964 after Bataille's death is a startling short tale of cruelty and desire This volume also contains Bataille's own introductions to his texts as well as essays by Yukio Mishima and Ken Hollings

**Modern Classics My Mother Madame Edwarda the Dead Man** Georges Bataille, 2012-07-31 In these three works of erotic prose Georges Bataille fuses sex and spirituality in a highly personal and philosophical vision of the self My Mother is a frank and intense depiction of a young man's sexual initiation and corruption by his mother where the profane becomes sacred and intense experience is shown as the only way to transcend the boundaries of society and morality Madame Edwarda is the story of a prostitute who calls herself God and The Dead Man published in 1964 after Bataille's death is a startling short tale of cruelty and desire This volume also contains Bataille's own introductions to his texts as well as essays by Yukio Mishima and Ken Hollings

Leo Bersani Mikko Tuhkanen, 2014-11-14 For more than fifty years Leo Bersani's writing has inspired and challenged scholars in the fields of literary criticism and theory cultural studies queer theory psychoanalysis and film and visual studies This is the first book length collection on this important author The book's extensive introduction outlines in detail Bersani's oeuvre particularly its place in queer thought and his complicated relationships with the fields of queer theory and psychoanalysis The subsequent contributions by notable scholars in various fields demonstrate the richness and open endedness of his work The book concludes with a new interview with Bersani

History, Literature, Critical Theory Dominick LaCapra, 2013-05-15 In History Literature Critical Theory Dominick LaCapra continues his exploration of the complex relations between history and literature here considering history as both process and representation A trio of chapters at the center of the volume concern the ways in which history and literature particularly the novel impact and question each other In one of the chapters LaCapra revisits Gustave Flaubert pairing him with Joseph Conrad Other chapters pair J M Coetzee and W G Sebald Jonathan Littell's novel The Kindly Ones and Saul Friedlander's two volume prizewinning history Nazi Germany and the Jews A recurrent motif of the book is the role of the sacred its problematic status in sacrifice its virulent manifestation in social and political violence notably the Nazi genocide its role or transformations in literature and art and its multivalent expressions in postsecular hopes anxieties and quests LaCapra concludes the volume with an essay on the place of violence in the thought of Slavoj Zizek In LaCapra's view Zizek's provocative thought at times has uncanny echoes of earlier reflections on or apologies for political and seemingly regenerative even sacralized violence

**Understanding Nietzsche, Understanding Modernism** Brian Pines, Douglas

Burnham,2019-02-21 Friedrich Nietzsche believed his own work represented the dawning of a new historical era and despite the fact that he lived most of his sane life suffering in obscurity it is not an exaggeration to say that his vision helped lay the foundations for modernism in style substance and attitude Nietzsche was himself devoted to the modern for he reinterpreted every philosophy every historical figure and event every movement that came before him This reconceptualization of the past through new modern eyes opened up Nietzsche s thinking to exploring daring possibilities for the future This prophetic boldness which is so unique to his style seduced the modernist generation across the spectrum He was read by early Zionists as well as by Nazi racial theorists by Thomas Mann and as well as by Salvador Dali His influence stretched from psychoanalysis to anarchist politics Understanding Nietzsche Understanding Modernism traces the effect of Nietzsche s thinking upon a diverse set of problems from ontology to politics to musical and literary aesthetics The first section of the volume is a series of essays each exploring a major work of Nietzsche s explaining its significance while contributing new interpretations of the text The middle portion connects Nietzsche s thought to the various strands of modernism in which it reveals itself The final section is a glossary of key terms that Nietzsche uses throughout his works An excellent resource for any scholar attempting to conceptualize the foundations of modernism or the historical importance of Nietzsche this volume seeks to outline the philosopher s works and their reception amongst the generations that immediately followed his passing

*Failing Desire* Karmen MacKendrick,2017-12-04 Draws on theology and queer theory to argue for the power of humiliating pleasures in a culture oriented very strongly to denying any enjoyment that is not about success Luckily for human diversity we are perfectly capable of desiring impossible things *Failing Desire* explores a particular set of these impossibilities those connected to humiliation These include the failure of autonomy in submission of inward privacy in confession of visual modesty in exhibition and of dignity in playing various roles Historically those who find pleasure in these failures range from ancient Cynics through early Christian monks to those now drawn by queer or perverse eroticism As Judith Halberstam pointed out in *The Queer Art of Failure* failure can actually be a mode of resistance to demands for what a culture defines as success Karmen MacKendrick draws on this interest in queer refusals To value desire or seek humiliation undercuts any striving for success but it draws our attention particularly to the failures of knowledge as a form of power whether that knowledge is of one body or of a population How can we understand will that seeks not to govern itself psychology that constructs inwardness by telling all blushing shame that delights in exposure or dignity that refuses its lofty position *Failing Desire* suggests that the power of these desires and pleasures comes out of the very realization that this question can never quite be answered In *Failing Desire* Karmen MacKendrick offers her readers something akin to a sequel to *Counterpleasures* Pursuing the negative affects of failure humiliation and shame across authors that inform much of her work Bataille Blanchot Augustine Foucault Kristeva and Laure MacKendrick effortlessly and breathlessly provides us with provocative new insights about the limitations of language the pleasures of submission and obedience and the wily unruliness

of the flesh For her devotees the evocative prose and suggestive analysis will seem familiar without being stale or repetitious for novices her style and acumen will seem assured and electrifying MacKendrick breathes new life into authors texts and topics that have been at the forefront of critical engagements with embodiment desire and affect for the past several decades Kent L Brintnall author of *Ecce Homo The Male Body in Pain as Redemptive Figure* **Temptation of the Word** Efraín Kristal,1998 Originally published in hardcover in 1998 Barra and Zaman: Reading Egyptian Modernity in Shadi Abdel Salam's The Mummy Youssef Rakha,2020-12-16 Brilliantly introduced by Nezar Andary this book is a work of creative nonfiction that approaches writing on film in a fresh and provocative way It draws on academic literary and personal material to start a dialogue with the Egyptian filmmaker Shadi Abdel Salam s *The Mummy* 1969 tracing the many meanings of Egypt s postcolonial modernity and touching on Arab Muslim and ancient Egyptian identities through watching the film **Salome's Modernity** Petra Dierkes-Thrun,2014-07-28 Oscar Wilde s 1891 symbolist tragedy *Salome* has had a rich afterlife in literature opera dance film and popular culture *Salome s Modernity Oscar Wilde and the Aesthetics of Transgression* is the first comprehensive scholarly exploration of that extraordinary resonance that persists to the present Petra Dierkes Thrun positions Wilde as a founding figure of modernism and *Salome* as a key text in modern culture s preoccupation with erotic and aesthetic transgression arguing that Wilde s *Salome* marks a major turning point from a dominant traditional cultural moral and religious outlook to a utopian aesthetic of erotic and artistic transgression Wilde and *Salome* are seen to represent a bridge linking the philosophical and artistic projects of writers such as Mallarmé Pater and Nietzsche to modernist and postmodernist literature and philosophy and our contemporary culture Dierkes Thrun addresses subsequent representations of *Salome* in a wide range of artistic productions of both high and popular culture through the works of Richard Strauss Maud Allan Alla Nazimova Ken Russell Suri Krishnamma Robert Altman Tom Robbins and Nick Cave among others

**Psychotherapy Under the Influence of Georges Bataille** William Buse,2021-04-05 This fascinating book applies social theorist Georges Bataille s revolutionary thinking to psychotherapy offering clinicians a new and valuable context for practicing therapy In adding Bataille s ideas to several different psychotherapeutic modalities this book makes the notoriously obscure thinker more accessible while testing the validity of his far reaching work in the treatment room Through an in depth examination of several clinical case studies the book demonstrates how to balance an understanding of the social and historical contexts of participants with a therapeutic approach that offers empathy for individual distress It also explains how Bataille s innovative approach can be applied to work with couples groups institutions and even one of Freud s classic case studies Both the content and form of each chapter demonstrate the therapeutic value of a reflexive critical approach to one s practice and exemplify how to write about it Offering an unprecedented opportunity to imagine how Bataille s own interest in psychoanalysis and clinical psychology might have developed this book will be of interest to both practitioners in the field and scholars of continental philosophy and social theory Creaturely Poetics Anat Pick,2011-04-26 Simone Weil

once wrote that the vulnerability of precious things is beautiful because vulnerability is a mark of existence. With these words she established a relationship among vulnerability, beauty, and existence that transcends the boundaries separating the species. Her conception of a radical ethics and aesthetics could be characterized as a new poetics of species that forces us to rethink the significance of the body, both human and animal. Exploring the logic of flesh or how art and culture use the body to mark species identity, Anat Pick reimagines a poetics that begins with the vulnerability of bodies, not the omnipotence of thought. Offering a powerful alternative to more personalist visions of morality, Pick proposes a creaturely approach based on the shared embodiedness of humans and animals and a postsecular perspective on human-animal relations. She turns to literature, film, and other cultural texts that prioritize the inhuman and challenge the familiar inventory of the human: consciousness, language, morality, and dignity. She reintroduces Weil's crucially important work and its elaboration of themes such as witnessing, commemoration, and collective memory, and she moves away from assumptions about animal otherness and nonhuman subjectivities. Pick identifies the animal within all humans, emphasizing the corporeal and its issues of power and freedom. In her creaturely view, powerlessness is the point at which both aesthetic and ethical thinking must begin.

**The Power of Contestation** Kevin Hart, Geoffrey H. Hartman, 2004-10-15. Kevin Hart and Geoffrey H. Hartman bring together essays by prominent scholars from a range of disciplines to focus on Blanchot's diverse concerns: literature, art, community, politics, ethics, spirituality, and the Holocaust. **Jacket Speaking through the Mask** Norma Claire

Moruzzi, 2018-09-05. Hannah Arendt was famously resistant to both psychoanalysis and feminism. Nonetheless, psychoanalytic feminist theory can offer a new interpretive strategy for deconstructing her equally famous opposition between the social and the political. Supplementing critical readings of Arendt's most significant texts, including *The Human Condition*, *On Revolution*, *Rahel Varnhagen*, *The Origins of Totalitarianism*, *Eichmann in Jerusalem*, and *The Life of the Mind*, with the insights of contemporary psychoanalytic feminist and social theorists, Norma Claire Moruzzi reconstitutes the relationship in Arendt's texts between constructed social identity and political agency. Moruzzi uses Julia Kristeva's writings on abjection to clarify the textual dynamic in Arendt's work that constructs the social as a natural threat. Joan Riviere's and Mary Ann Doane's work on feminine masquerade amplifies the theoretical possibilities implicit in Arendt's own discussion of the public political mask. In a bold interdisciplinary synthesis, Moruzzi develops the social applications of a concept the mask Arendt had described as limited to the strictly political realm: a new conception of political agency as social masquerade, traced through the marginal but emblematic textual figures who themselves enact the politics of social identity.

**On Ceasing to Be Human** Gerald Bruns, 2011. *On Ceasing to be Human* explores and develops a question posed by Stanley Cavell: Can a human being be free of human nature, particularly in terms of the link between freedom and nonidentity? **Nethered Regions - An Anatomy of Mina Loy** Sara Crangle, 2024-04-30. Mina Loy has long been recognised as a writer who insists on the primacy of the corporeal. Over two volumes, Sara Crangle excavates how Loy's relationship to the human body was inextricable from her

esoteric understanding of the human soul Nethered Regions An Anatomy of Mina Loy develops new thinking on Loy's representations of the foundations of existence exploring topics that include sentience primitivism evolution vitalism and sensibility Dubbing Loy an atavistic vanguardist this book aligns sacrifice and satire demonstrating how Loy devises an original feminist satirical mode by which sardonic aggression is aimed at generating intimacy and proximity rather than ironised distance Loy's articulations of low body parts feet legs genitals bellies and wombs are explored in chapters that theorise her deployment of dissident sexualities queerness prostitution women's pleasure and censorship pictorial poetic cartographies of desire and the accursed muse that is unsung counterpart to the poetess maudit **Negative Ecstasies**

Jeremy Biles, Kent L. Brintnall, 2015-08-03 Despite Georges Bataille's acknowledged influence on major poststructuralist thinkers including Foucault Derrida Kristeva Lacan Baudrillard and Barthes and his prominence in literary cultural and social theory rarely has he been taken up by scholars of religion even as issues of the sacred were central to his thinking Bringing together established scholars and emerging voices Negative Ecstasies engages Bataille from the perspective of religious studies and theology forging links with feminist and queer theory economics secularism psychoanalysis fat studies and ethics As these essays demonstrate Bataille's work bears significance to contemporary questions in the academy and vital issues in the world We continue to ignore him at our peril *The New Samuel Beckett Studies* Jean-Michel Rabaté, 2019-07-04

Discusses the most recent advances in the Beckett field and the new methods used to approach it Ecce Homo Kent L. Brintnall, 2024-05-31 Images of suffering male bodies permeate Western culture from Francis Bacon's paintings and Robert Mapplethorpe's photographs to the battered heroes of action movies Drawing on perspectives from a range of disciplines including religious studies gender and queer studies psychoanalysis art history and film theory Ecce Homo explores the complex ambiguous meanings of the enduring figure of the male body in pain Acknowledging that representations of men confronting violence and pain can reinforce ideas of manly tenacity Kent L. Brintnall also argues that they reveal the vulnerability of men's bodies and open them up to eroticization Locating the roots of our cultural fascination with male pain in the crucifixion he analyzes the way narratives of Christ's death and resurrection both support and subvert cultural fantasies of masculine power and privilege Through stimulating readings of works by Georges Bataille Kaja Silverman and more Brintnall delineates the redemptive power of representations of male suffering and violence *Dante & the*

*Unorthodox* James Miller, 2006-01-01 During his lifetime Dante was condemned as corrupt and banned from Florence on pain of death But in 1329 eight years after his death he was again viciously condemned this time as a heretic and false prophet by Friar Guido Vernani From Vernani's inquisitorial viewpoint the author of the Commedia seduced his readers by offering them a vessel of demonic poison mixed with poetic fantasies designed to destroy the healthful truth of Catholicism Thanks to such pious vituperations a sulphurous fume of unorthodoxy has persistently clung to the mantle of Dante's poetic fame The primary critical purpose of Dante the Unorthodox is to examine the aesthetic impulses behind the theological and political

reasons for Dante's allegory of mid life divergence from the papally prescribed way of salvation. Marking the septicentennial of his exile, the book's eighteen critical essays, three excerpts from an allegorical drama and a portfolio of fourteen contemporary artworks address the issue of the poet's conflicted relation to orthodoxy. By bringing the unorthodox out of the realm of secret things by uncensoring them at every turn, Dante dared to oppose the censorious regime of Latin Christianity with a transgressive zeal more threatening to papal authority than the demonic hostility feared by Friar Vernani. **The Reclining Nude** Emma Wilson, 2019-10-19. This book, a sensuous evocation of images of the reclining nude, claims a female identified pleasure in looking. Agnès Varda, Catherine Breillat and Nan Goldin are reimagining images of female beauty, display auto eroticism and intimacy. The reclining nude is compelling for female identified artists in the ethically adventurous, politically complex feminist issues it engages.

The Engaging World of E-book Books: A Thorough Guide Revealing the Benefits of E-book Books: A World of Convenience and Versatility Kindle books, with their inherent mobility and simplicity of availability, have freed readers from the constraints of physical books. Gone are the days of lugging bulky novels or carefully searching for particular titles in bookstores.
