That Would Be Me Mickey Jones, 2007-06-12 Today is a day I've been dreading for a long time Sitting here watching the Cincinnati Bengals and the Houston Oilers playoff game out of the corner of my eye I realize that I cannot procrastinate the starting of this book any longer My goal has been to write this book for at least the last fifteen years but I wanted someone else to do the dirty work That is just not going to happen I'm stuck with this mess and it's up to me and me alone I lived in the rock and roll world for more than twenty years as the drummer for some of the most famous people in the business I've also had the pleasure of sitting in backing up and knowing some of the all time greats However I've seen these people from a little different angle than anyone else from center stage looking at you the audience I used to joke and say I've seen the back of some of the most famous heads in the world That's a fact My musical career started as the drummer with a young singer from Dallas Texas by the name of Trini Lopez We were together for almost eight years That collaboration took me to Los Angeles California My recordings with Trini include eight albums starting with Trini Lopez LIVE at P.J.'s It was in L.A. that I hooked up with an Italian kid from Baton Rouge Louisiana His name was John Ramistella better known as Johnny Rivers During my time with Johnny I had the incredible opportunity of spending time in Viet Nam in 1966 with Ann Margret We are still friends today Eat your heart out After the stint with Johnny came perhaps the ultimate musical challenge I became the drummer with the legendary kid from Hibbing Minnesota the spokesman for the world of folk music Bob Dylan

and the group that started out as The Hawks and later became known as The Band At a recent speaking engagement for a Bob Dylan convention in Manchester England I was introduced as the drummer on the greatest rock and roll tour in history
