Transformation in Medieval Lombardy Gillian B. Elliott, 2022-06-24 This book explores the issue of ecclesiastical authority in Romanesque sculpture on the portals and other sculpted gateways of churches in the north Italian region of Lombardy Gillian B Elliott examines the liturgical connection between the ciborium over the altar the most sacred threshold inside the church and the sculpted portals that appeared on church exteriors in medieval Lombardy In cities such as Milan Civate Como and Pavia the liturgy of Saint Ambrose was practiced as an alternative to the Roman liturgy and the churches were constructed to respond to the needs of Ambrosian liturgy Not only do the Romanesque churches in these places correspond stylistically and iconographically but they were also linked politically in an era of intense struggle for ultimate regional authority The book considers liturgical and artistic links between interior church furnishings and exterior church sculptural programs and also applies new spatial methodologies to the interior and exterior of churches in Lombardy The book will be of interest to scholars working in art history medieval studies architectural history and religious studies **Dante's Vision**

and the Circle of Knowledge Giuseppe Mazzotta, 2014-07-14 In a masterly synthesis of historical and literary analysis Giuseppe Mazzotta shows how medieval knowledge systems the cycle of the liberal arts ethics politics and theology interacted with poetry and elevated the Divine Comedy to a central position in shaping all other forms of discursive knowledge To trace the circle of Dante's intellectual concerns Mazzotta examines the structure and aims of medieval encyclopedias especially in the twelfth and thirteenth centuries the medieval classification of knowledge the battle of the arts the role of the imagination the tension between knowledge and vision and Dante's theological speculations in his constitution of what Mazzotta calls aesthetic ludic theology As a poet Dante puts himself at the center of intellectual debates of his time and radically redefines their configuration In this book Mazzotta offers powerful new readings of a poet who stands amid his culture's crisis and fragmentation one who responds to and counters them in his work In a critical gesture that enacts Dante's own insight Mazzotta's practice is also a fresh contribution to the theoretical literary debates of the present Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the
