Between Woman, Man and God Hagith Sivan,2004-08-01

According to the demands of the Decalogue manhood entails the avoidance of stealing killing and coveting not to mention apostasy and violation of the Sabbath and other men s property What then would be the essence of womanhood if different By selecting female characters narratives as interpretative clues for the law this book presents a legal behavioral and representational reading of the Decalogue Beginning with an analysis of the legal contents of each Commandment through allied legal texts which relate to women and to the feminine each chapter continues with an investigation of the ways in which the activities of the female and male protagonists of select narratives elucidate the range of Commandments God's Doodle Thomas Hickman,2013-10-21 You will be impotent with both laughter as you read this remarkably entertaining and informative look at the male organ down through the ages undeniably funny Booklist Throughout history man has revered his penis as his most precious ornament From small to large thick to thin smooth to wrinkled Thomas Hickman lets the history of this mystery hang out for all to see Offering discussion of ancient literatures and mathematical quandaries of possible positions such as Greece s the lion on the cheese grater which still keeps scholars in a twist It is a stiff subject but we easily settle in with the likes of Bill Clinton Michelangelo s David and Shakespeare as they followed their heads If you were to wrap your hands around anything less than two inches it should be God s Doodle a brilliant history of the penis that hits the topic right on the head It reaches through time and looks at how the penis trended long before one was ever posted on Twitter A well researched dryly witty and worthwhile read Salon Tom Hickman tells the story of its ups and downs with enthusiasm and a mostly straight face The Economist *Men, Women, and Gods, and Other Lectures* Helen Hamilton Gardener,1885
