**Library Media Connection**, 2004 **Men in reserve** Juliette Pattinson, Arthur McIvor, Linsey Robb, 2017-02-01 *Men in reserve* focuses on working class civilian men who as a result of working in reserved occupations were exempt from enlistment in the armed forces It uses fifty six newly conducted oral history interviews as well as autobiographies visual sources and existing archived interviews to explore how this group articulated their wartime experiences and how they positioned themselves in relation to the hegemonic discourse of military masculinity It considers the range of masculine identities circulating amongst civilian male workers during the war and investigates the extent to which reserved workers draw upon these identities when recalling their wartime selves It argues that the Second World War was capable of challenging civilian masculinities positioning the civilian man below that of the soldier hero while
