The Schism of Unification Church and the Tree of Life Jongsuk Kim,2024-07-02 This book *The Schism of Unification Church and the Tree of Life* Part I is a revised version of the 4th volume of the *History of the Korean Messianic Movement* published in 2016 and contains the core of the extensive data used in the 5th volume *A Study of the Canonization of the Unification Movement* 2017, the 6th volume *Unification Church and the Phenomenon of the Only Begotten Daughter* 2017, the 7th volume *The Veritable Records of Unification Church Schism* 2021 and the 8th volume *The only begotten daughter phenomenon seen from the Unification Principle* 2023. This book also contains content not covered in the first edition and the changed situation of Unification Church since 2016. Nonetheless, I put the word part 1 in the title because the detailed story of the schism of Unification Church after the founder

s Seunghwa which could not be contained in this book on the page will be covered soon in the other book The reason why I titled this book The Schism of Unification Church and the Tree of Life is that although the division of the Unification Movement caused by the failure of Han Hak ja to do her responsibilities led to tragic results providence and anti providence principle and non principle good and evil were distinguished during the process of division and certainly the Unification Movement will soon be overcome and enter the path of revitalization by the Tree of Life of the heavenly lineage that has risen from the dead This book focused on comparing the identities and deeds of the major figures identified in the process of Unification Church s split namely Han Hak ja Moon Hyung jin and Moon Hyun jin based on the identity of the founder and the Unification Principle which is the core teaching Through this book readers will be able to accurately understand the causes processes and consequences of Unification Church schism and will be able to predict the future In the conclusion of the first edition I mentioned that the phenomenon of Han Hak ja s only begotten daughter is a new religious phenomenon with a different identity from the phenomenon of Unification Church of the founder Although divided I predicted that Unification Church would not collapse but would go the path of revitalization and that the third son of the founder Moon Hyun jin would lead the revitalization In retrospect my prediction was correct to some extent Han Hak ja who was the cause of the schism in Unification Church became one with the fallen archangel figures who destroyed the providence of the True Family and created a new religion to worship the only begotten daughter Heavenly Parents Holy Community which clashed with the Unification Principle On the other hand Moon Hyun jin who was expelled from the Unification Movement by Han Hak ja and the anti Moon Hyun jin forces who tried to wipe out his providential mission won nearly a decade of persecution and more than 30 lawsuits and declared that he would re establish the ideal of the True Family and True Parents which had been incomplete due to the fall of Han Hak ja and dedicate the original Foundation Day before Heaven As time passes the inner story and truth of Unification Church schism will become clearer I wrote this book from both the perspectives of a new religion researcher an objective observer and an insider a believer The collection and analysis of data to understand the facts and inner story of the incident was done from the perspective of an observer and the internal causes of Unification Church split changes in identity and doctrine and the nature and religious significance of various events and situations that are difficult to understand for a simple observer was described from an insider s point of view **Love & Passion Through**

These two characters share parallel interests flaws and compelling obsessions which are expressed differently but which also converge seem similar conflict and ultimately cause pain as well as great joy Alexandre a prodigious word master and extravagant lover of the arts food and women stalks through his life like a Titan of verbal expression and flaming erotic passions Simone whose passions include art and words in literature shares many of Alexandres peculiar obsessions and yes some of the same flaws Both are extravagant intelligent but generally non reflective about themselves and thus lack personal insight They are profligate with money but generous and basically loving even when stubbornly foolish But most of all they love words often reducing and deflecting life experiences and problems into mere words and aesthetic satisfactions Words in one form or another occupy their days and shape their struggles and relationships Alexandres compulsive writing is fed by two linked drives the need to earn money and his intrinsic obsession to spill words into tales and romantic dramas about acts of derring do and erotic passion Simones compulsive word orientation provides escape from personal chaos through aesthetic and intellectual satisfaction and feeds her depleted finances at the same time She becomes a fine art and antiquarian book dealer collector The sum of these ingredients creates curious emotional joys and quandries as they both fall on the sword of frustrated love tragedy failure and even success Alexandre rushes through life writing and loving day and night and acting in ways which require exile to escape political censure But he finds that his travels are shadowed by murders even in that haven for political refugees Switzerland He cannot escape his obsessions which entrap him in plots of eruptive social and political change wherever he travels Indeed in spite of his fertile imagination in creating and resolving plots he is only able to discover the murderer of his best friends at the point of a pistol aimed at him Alexandres travels love affairs his wild imagination and political dedications are reflected in his written dramas and novels which continue to thrill readers with their romantic escapades long after his death Oddly most of his problems and their solutions emanated from his passionate dedication to written or spoken words As such his legacy Merchant of Venice.
