My Religion: Reel or Real? Rev. Benjamin A. Vima, 2013-09-27 As the cradle religion I belong to has been at every age probing into her managing and conserving of the Mysterious Treasures entrusted to her with the enlightenment offered by Vatican Council II I too longed to scrutinize my own handling of Catholic Christian Faith I wanted to examine whether the religion I practice personally was real or reel tTrue or false gGenuine or false aAuthentic or artificial hHeartfelt or routine fFruitful or poisonous oOriginal or counterfeit sSingle hearted or double hearted Certainly as a priest I had lot of occasions like recollections and retreats regularly to regularly assess the genuineness of my religious holdings and practices Though I began 10ten years back gathering all my scribbles and journals of evaluation about my personal religion I started putting them seriously into a book form only after Pope Benedict XVI announced year 2012 as the Year of Faith I considered it a call from God who wanted to befriend me more intensely and to promote to my friends this habit of assessing ones own faith This is how this book was conceived and shaped This book can be considered as a self imposed act of examining my conscience about the identity nature and application and practice of religion in my life I hope and pray this effort of mine will surely assist my readers do the same not only during this Year of Faith as it would be ended 24 November 24 2013 but also later on in life when tumult of waves and trials is daunting against our faith and religion
