**Unmasked** Ian Halperin, 2009-07-20 In late December 2008 Ian Halperin told the world that Michael Jackson had only six months to live His investigations into Jackson's failing

health made headlines around the globe Six months later the King of Pop was dead Whatever the final autopsy results reveal it was greed that killed Michael Jackson Friends and associates paint a tragic picture of the last years and days of his life as Jackson made desperate attempts to prepare for the planned concert series at London's O2 Arena in July 2009 These shows would have earned millions for the singer and his entourage but he could never have completed them not mentally and not physically Michael knew it and his advisors knew it Anyone who caught even a fleeting glimpse of the frail old man hiding beneath the costumes and cosmetics would have understood that the London tour was madness Why did it happen this way After an intense five year investigation New York Times bestselling author Ian Halperin uncovers the real story of Michael Jackson's final years a suspenseful and surprising thriller **The Romance of Real Life** Steven Watts, 2019-12-01

Originally published in 1994 *The Romance of Real Life* aims to reconstruct historically the life and writings of Charles Brockden Brown in terms of their cultural connection Watts examines in detail Brown's early and later writings By looking at these often neglected works more closely he offers a new perspective on the well known novels from the late 1790s Watts's synthetic look at genre as well as chronology reveals broader connections between Brown's literature and American society and culture in the decades of the early republic Furthermore Watts situates Brown's writings in terms of the interplay of text context and the self with each factor recognized as mutually shaping the others *The Romance of Real Life* incorporates sensitivity to the social history of ideas in which both the form and content of language remain rooted in the material experience of real life *Journey's End* Victoria Brewster, Julie Saeger Nierenberg, 2017-07-20 In *Journey's End* many and varied collaborators write about death dying and the end of life We attempt to describe real life issues and circumstances and we discuss ways to proactively deal with them Useful training resource and reference material is also included Death dying and end of life are topics many prefer to avoid This book suggests that we benefit from having frank discussions living life to the fullest and planning for our own journey's end whenever that may be Everyone who is born eventually will die whether or not we want to embrace that fact Though few of us know when we will die we and our family or friends can be well prepared We can have discussions and create written directives for what we want if we are unable to verbally state them ourselves Do we want life support Do we want interventions that may or may not have any benefit to our quality of life if we are in the hospital or in an accident Do we want to be involved in planning our funeral memorial or celebration of life The submissions within are from professionals in the field of death and bereavement support and from laypeople all of whom share stories of dying family members friends clients and patients Julie and Victoria the coauthors of this book also share stories from their personal and professional experiences *Journey's End* is a broadly comprehensive book about death dying and the end of life
