

Dear Younger Self

Dear Younger Self,

You have been through so much,
But yet you have stayed strong.
Picking yourself up,
And carrying on.

For this, I must express,
An abundance of gratitude.
I wouldn't be where I am today,
Without your determined attitude.

I am a different person,
Different to you now,
This is because of you,
Growing and showing me how.

I am so thankful that you carried on
And your dreams you worked towards.
As for all your struggles,
I have received glorious rewards.

Love your Older Self

Conversation With Myself Nazlina Mirsultan, 2024-05-24 Do we speak nothing but the truth when we have conversations with people Most of us do not speak the truth during conversations with others in our lives We tend to fabricate stories and make them appear more appealing and favorable to our audience's needs just to keep the conversation going This is because we try to impress others with our stories seeking their acceptance and approval Therefore we believe that telling them the truthful version of our stories may not be well received by society at large However when having a conversation with ourselves we do not have to worry about the audience or how others perceive us there is no external pressure Conversations with oneself are pure raw and truthful Engaging in regular self talk helps me become a better version of myself and it's a habit I don't want to let go of **I'm Mostly Here to Enjoy Myself** Glynnis MacNicol, 2024-06-11 When you're a woman of a certain age you are only promised that everything will get worse But what if everything you've been told is a lie Come to Paris August 2021 when the City of Lights was still empty of tourists and a thirst for long overdue pleasure gripped those who wandered its streets After New York City emptied out in March 2020 Glynnis MacNicol aged forty six unmarried with no children spent sixteen months alone in her tiny Manhattan apartment The isolation was punishing A year without touch Women are warned of invisibility as they age but this was an extreme loneliness no one can prepare you for When the opportunity to sublet a friend's apartment in Paris arose MacNicol jumped on it Leaving felt less like a risk than a necessity What follows is a decadent joyful unexpected journey into one woman's pursuit of radical enjoyment The weeks in Paris are filled with friendship and food and sex There is dancing on the Seine a plethora of gooey cheese midnight bike rides through

empty Paris handsome men afternoons wandering through the empty Louvre nighttime swimming in the ocean off a French island And yes plenty of nudity In the spirit of Nora Ephron and Deborah Levy think Colette if she d had access to dating apps I m Mostly Here to Enjoy Myself is an intimate insightful powerful and endlessly pleasurable memoir of an intensely lived experience whose meaning and insight expand far beyond the personal narrative MacNicol is determined to document the beauty excess and triumph of a life that does not require permission The pursuit of enjoyment is a political act both a right and a responsibility Enjoying yourself as you are is not something the world tells you is possible but it is Here s the proof
