daughters for his kingdom Indeed the girls hands have been given in marriage to the princes of hell Amalia s pledged to Declan the Prince of Savagery Lucky her Not This gorgeous prince of hell has no manners and seemingly not a stitch of kindness With Rose banished and Riven unconscious Amalia finds herself thrown into palace intrigue She latches onto Chloe and Elijah s secret and becomes an accomplice Until the God of the Underworld finds out **What Cloud Is My Sister In?** Kim Vesey,2022-06-20 Death is often perceived as an end point Yet any family who has lost a child either at birth or at some point in the child s journey towards adulthood will acknowledge it is a beginning The beginning of a life long grief journey not just for parents but for other family members as well While tears often come easily words and actions many times do not How does one explain the death of a newborn or the death of a child in elementary school or even high school to their brothers and or sisters This story invites the grieving child children and the adults who love them through a two day grief camp experience for children The three turtles meet at camp They have each lost a sister Snappy s teenage sister Sarah died Speedy s newborn sister Harper died And Shelly s young sister Layla died too Through the experience of numerous camp activities and discussions the three turtles become friends They learn in the process that while remembering can make them sad it can also help them to laugh and be happy too Speedy learns even though he didn t get to create memories with his sister he can use his heart and mind to imagine what life would be like with her As camp comes to an end the three friends realize they will always carry their sisters with them in their hearts and in their minds This book includes many recommendations for techniques siblings can use to honor and remember their sister These activities allow the adult s and child children to feel their grief through sharing openly about various grief topics looking back at memories and creating tangible remembrances In time through the sacred sharing of grief they will begin to heal together as well **Chronicles of an African Baby** Frankie Hirsch,2022-08-01 African Baby is a fictional story about one African woman s life in a rural African village her unexpected traumatic and illegal entry into the United States the ramifications of that entry and how she managed to survive in her village and America As the story unfolds revealing both the past and the present it describes in detail the suffering and cruelty experienced by women and girls in African countries cultural practices still continued today like genital mutilation and breast burning as well as the underground trafficking of sex slaves The story is written to shine a light on the daily struggles of being a woman in Africa and globally the women whom are suffering and in desperate need of access to health care education economic and social stability It is meant to draw in the reader whom while reading becomes informed and their awareness rose to a level that implores the world to take action African Baby is the means to give a voice to those still in the shadows unknown to the world and afraid to speak out It is meant to give courage to these women and girls to demand access to proper health care and education and to rise up against traditions and practices that keep them in submissive lifestyles as products to be sold or perhaps worse It is a voice that must be heard A story that must be told Descriptions of survival under circumstances many of us would not have the inner strength to endure or survive *I Am*

Loved Claudette Schlitter,2012-09-01 Well known British Gospel singer Claudette Schlitter tells her remarkable story The story of her search for love For many years Claudette hid her true self from family and friends until in the end the secrets of the past and her battle with an eating disorder threatened to destroy all that she had worked for She began a search for true love and hoped for a happy ever after only to find that more tragedy than she could ever imagine was coming her way Finally she found the strength to face her past and the courage to tell her story Claudette s story will inspire you as you read of her remarkable journey of faith against the odds Never giving up on the belief that somewhere out there was someone who loved her she finally found that someone but in the most unexpected way **I Need to Scream! Would Anyone Even Hear Me?**

Lorraine Valyo Davis,2006-01-13 The prospect of having to care for an ill loved one takes most of us by surprise Once a diagnosis or treatment schedule has been determined a caregiver must learn how to multi task in very creative ways Usually this is learned by trial and error Until now *I Need to Scream Would Anyone Even Hear Me* is a handbook for the caregiver Once a loved one needs a health advocate a caregiver is born and then quickly baptized by fire This book will help douse that inferno It includes chapters on how to select a hospital and doctor along with sections on medications family matters and most importantly how to take care of his or her self in the process This is not a scientific project It is a personal account written by a caregiver It contains suggestions on how to make the transition from normal life to a new life as painless as possible *I Need to Scream Would Anyone Even Hear Me* attempts to remove the guilt and negativity that can become part of a caregiver s life It also includes blank pages at the end of each chapter so that the caregiver is able to jot down notes questions or reflections This is a book that is long overdue Caregivers are part of a strong and silent group They need a voice Few people realize the traumatic role of the caregiver unless one has had experience like the author of this book We do not know when a serious illness or accident will befall a loved one It is for that reason that this book should be in every library home and hospital *I Need to Scream Would Anyone Even Hear Me* is unlike most publications that include this subject This book is primarily for caregivers and the people who love them Poetry of Inspiration Love & Expression , **Believe and**
