My Sons Story A Novel:

My Son's Story Nadine Gordimer, 1990-10-10 Will the narrator of this powerfully charged novel discovers that his father a political activist and local hero in their South African town has become involved with a white woman Wrenching passionate deeply resonant My Son's Story evokes the inexorable yoking of the personal life and politics with uniquely moving force

My Son's Story Nadine Gordimer, 2003-11-03 This is a passionate love story love between a man and two women between father and son and something even more demanding a love of freedom *Human Rights and Nadine Gordimer's Fiction*

Mateti Prabhakar, Kanugula Ram Mohan, 2024-07-02 The book explores the complex problem of apartheid racial segregation in South African society and the struggle against the colour bar represented in the fictional world of Nadine Gordimer the Nobel Laureate of the South African Letters It shows how Gordimer a crusader for the human rights of black people has launched a lifetime battle against the apartheid regime's unjust and heartless censorship of creative writing and freedom of speech in South Africa by virtue of fictionalizing her human rights activism thereby teaching humanity It demonstrates how black people are denied their basic human rights from the cradle to the grave by the white chauvinistic apartheid regime This volume is a space for scholars writers and activists to debate issues related to race class and human rights **From**

the Margins of Empire Louise Yelin, 2018-05-31 Situated at the intersection of the colonial and the postcolonial the modern and the postmodern the novelists Christina Stead Doris Lessing and Nadine Gordimer all bear witness to this century's global transformations From the Margins of Empire looks at how the question of national identity is constructed in their writings These authors white women who were born or grew up in British colonies or former colonies reflect the subject of national identity in vastly different ways in both their lives and their work Stead who resided outside of her native Australia has an unsettled identity Lessing who grew up in southern Rhodesia and migrated to England is or has become English Gordimer who was born in South Africa and remains there considers herself South African Louise Yelin shows how the three writers different national identities are inscribed in their fiction The invented hybrid character of nationality is she maintains a constant throughout Locating the writings of Stead Lessing and Gordimer in the national cultures that produced and read them she considers the questions they raise about the roles that whites especially white women can play in the new political and cultural order **New York Magazine**, 1990-10-22 New York magazine was born in 1968 after a run as an insert of the

New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Living in Hope and History** Nadine Gordimer, 2012-03-15 Few writers have so consistently taken stock of the society in which they have lived In a letter to fellow Nobel Laureate Kenzaburo Oe Nadine Gordimer describes this impressive volume as a modest book of some of the non fiction pieces I've written a reflection of how

I've looked at this century I've lived in. It is in fact an extraordinary collection of essays, articles, appreciations of fellow writers and addresses delivered over four decades including her Nobel Prize Lecture of 1991. We may examine here Nadine Gordimer's evidence of the inequities of Apartheid as she saw them in 1959, her shocking account of the bans on literature still in effect in the mid 1970s through to South Africa's emergence in 1994 as a country free at last, a view from the queue on that first day blacks and whites voted together, plus updates on subsequent events. Gordimer's canvas is global and her themes wide-ranging. She examines the impact of technology on our expanding world view, the convergence of the moral and the political in fiction, and she reassesses the role of the writer in the world today.

The Novels and Miscellaneous Works of Daniel De Foe: The fortunate mistress ... Roxana. The life and adventures of Mrs. Christian Davies ... called Mother Ross. 1855 Daniel Defoe, 1855

Nadine Gordimer Dominic Head, 1994-11-10 The award to Nadine Gordimer of the Nobel Prize for Literature in 1991 was an affirmation of her distinctive contribution to twentieth century fiction and to the creation of a literature that challenges apartheid. In this study, which may be used as an introduction as well as by those already familiar with Gordimer's work, Dominic Head discusses each of her novels in detail, paying close attention to the texts both as a reflection of events and situations in the real world and as evidence of her constant rethinking of her craft. Head shows how Gordimer's concerns apparent in her earliest novels are developed through increasing stress on the politics of textuality and he pursues the implications of this development to consider how Gordimer's later work contributes to postmodernist fiction and to a recentering of political engagement in an era of uncertainty.

The Deliverance of Others David Palumbo-Liu, 2012-06-05 The distinguished literary critic David Palumbo-Liu posits reading literature as an ethical act, a way of thinking through our relations to others in the age of globalization.

Post-Colonial Shakespeares Ania Loomba, Martin Orkin, 2013-10-28 First published in 2002, this collection of new essays explores the multiple possibilities for the study of Shakespeare in an emerging post-colonial period. *Post-Colonial Shakespeares* examines the extent to which our assumption about such key terms as colonization, race, and nation derive from early modern English culture. It also looks at how such terms are themselves affected by what were established subsequently as colonial forms of knowledge. The volume features original work by some of the leading critics within the field of Shakespearean studies. It is the most authoritative collection on this topic to date and represents an exciting step forward for post-colonial studies.

The Complete Novels Daniel Defoe, 2022-05-17 Daniel Defoe's *The Complete Novels* is a masterful assemblage of works that span the early 18th century, encapsulating the transition from oral narrative traditions to the novel as a literary form. Celebrated for its realism and intricacy, Defoe's prose employs a style marked by vivid detail and psychological depth, inviting readers into the thoughts and experiences of its characters. The collection includes iconic narratives such as *Robinson Crusoe*, which explores themes of isolation, survival, and the human spirit, alongside lesser-known titles that reflect societal norms and economic realities of Defoe's time, revealing the complexities of a rapidly modernizing world.
