Poetic Reflections Francis B. Mooneyhan Jr,2012-02-10 Prior to his departure to serve as a Family History missionary in Salt Lake City Frank wrote a poem about both the wonderment of his call and of what lay in wait for him His concerns about his age and poor health were soon dismissed upon his arrival in the mission field when Frank noticed that there were many who suffered far more than he thus inspiring a poem about the willingness of others to serve God despite major obstacles in their lives He recited this poem as part of his three minute introduction and arrival speech to his missionary group many of whom requested a copy Working in the Genealogy Library Frank helped in the restoration of books and assisted his wife as lab photographer He continued to write poems as missionaries entered and departed the mission and was quickly dubbed the lab poet Instead of writing a traditional daily journal his wife suggested that he write his feelings and thoughts through poetry This challenge helped Frank occupy his mind in a positive direction while struggling with daily health trials and his poetry journal evolved into this book a compilation of heartfelt inspired and jovial poems

flowers and finally came to a small cottage Once inside the cottage she felt welcome and loved Her statement seemed to provide a kindred comfort level and a willingness to be led to a feeling of eventual serenity The twelve readers opinions reinforced the Authors belief in the timing of the book Various television networks are adding more spiritual awareness programs with stories about angels and faith in God Many books are following a similar trend In todays troubled times joy is an exceptional event and hope has become a priority People are anxious and grasping for hope wherever they can find it Although Vignettes of Small Glories is written mostly as an inspiration to women men will also enjoy sharing it with their wives or partners It is intended to touch readers from teens to seniors who may need a fragment of proof that there is a way to grasp for joy and ultimately receive the gift of hope The Authors files contained over one hundred vignettes written throughout her lifetime When death almost touched her own life twice she began her search into the past for solutions in her faith a **Parents Magazine's it Worked for Me!** Ann Pleshette Murphy, 1997-01-01
