New Contextual Therapy Guiding The Power Of Give And Take:

The New Contextual Therapy Terry D. Hargrave, Franz Pfitzer, 2004-06-01 Through detailing and examining the four interplaying dimensions of relationships Contextual Theory gives therapists the ability to reshape human relationships and solve problems using the strengths of trust fairness and freedom Not just a review of what came before this brief clinical guide de mystifies the Contextual Theory of family counseling for practitioners and students in language that is succinct and lucid in order to expose a whole new generation of therapists to this important approach to family therapy *Contextual Therapy for Family Health* Alexandra E. Schmidt Hulst, D. Scott Sibley, 2018-06-18 This book provides readers with a compelling case for the inclusion of contextual therapy in comprehensive healthcare settings by presenting its applications to individual and family health across the lifespan Part I gives an overview of contextual therapy including case conceptualization assessment intervention and supervision Part II provides specific recommendations for incorporating contextual therapy in diverse and multidisciplinary settings Case studies illustrate how concepts such as justice loyalty and balanced giving and receiving influence families adjustment to chronic illnesses and mental health disorders Accounting for the trend toward increased collaboration between providers in traditional mental health and medical settings this book will empower clinicians to expand their current range of assessment methods intervention techniques and supervision experiences Human Development and Faith (Second Edition) Felicity B. Kelcourse, 2015-07-28 This book now in its second edition brings together the best available understandings of human development from a multidisciplinary perspective Uniquely inclusive of the moral and faith dimensions of context and life cycle development Human Development and Faith examines the interplay of mind body family community and soul at every stage of development It addresses two central questions What are the good enough conditions of parenting family and community in each phase of life from birth to death which support growth and development What gives life adequate meaning as development proceeds If human development describes the normative and hoped for passages of life then faith provides the necessary component of meaning Throughout the various perspectives offered in this volume is the premise that faith is that quality of living that makes it possible to fully live The Journal of Pastoral Theology called the first edition of Human Development and Faith an excellent text for pastoral theology courses because it fulfills its ambitious goal of bringing a holistic faith perspective to the usual topics of development This second edition includes a new chapter on infancy updates reflecting our growing awareness of cultural diversity and a new preface *Counseling and Psychotherapy* Siang-Yang Tan, 2011 A leading scholar provides a comprehensive survey of major approaches to counseling and psychotherapy offering a Christian critique and perspective **Cultivating Systemic Resilience in Therapy** Christie Eppler, 2024-07-09 Therapists intuitively know that the families partnerships and individuals they treat have strengths but may not know how to identify or utilize them This edited collection aims to help therapists understand and apply concepts of systemic resilience in clinical practice supporting them in

conceptualizing cases treatment planning and developing supportive therapeutic relationships Christie Eppler PhD brings together a collection of voices to provide comprehensive guidance on what systemic resilience is and how therapists can enhance the lives and relationships of their clients Based on contemporary training standards this text emphasizes practice based applications and focuses on diversity equity and inclusion Chapters address how to foster resilience in clinical treatment with individual and relational clients supervisees and in the therapist s own life With case studies clinical activities interventions and reflective questions throughout this approachable text will help therapists empower their clients This book demonstrates to practicing and established therapists how connections community involvement shared visions and a sense of purpose and healthy relationships can promote growth healing and transformation This is essential reading for students and professionals in counseling clinical social work and marriage and family therapy
