New Deal For The Newcomer The Federal Transient Service

Holly Allen

New Deal For The Newcomer The Federal Transient Service:

The New Deal's Forest Army Benjamin F. Alexander, 2018-02 How the Civilian Conservation Corps constructed rejuvenated and protected American forests and parks at the height of the Great Depression Propelled by the unprecedented poverty of the Great Depression President Franklin D Roosevelt established an array of massive public works programs designed to provide direct relief to America's poor and unemployed The New Deal's most tangible legacy may be the Civilian Conservation Corps's network of parks national forests scenic roadways and picnic shelters that still mark the country's landscape CCC enrollees most of them unmarried young men lived in camps run by the Army and worked hard for wages most of which they had to send home to their families to preserve America's natural treasures In The New Deal's Forest Army Benjamin F Alexander chronicles how the corps came about the process applicants went through to get in and what jobs they actually did He also explains how the camps and the work sites were run how enrollees spent their leisure time and how World War II brought the CCC to its end Connecting the story of the CCC with the Roosevelt administration's larger initiatives Alexander describes how FDR's policies constituted a mixed blessing for African Americans who even while singled out for harsh treatment benefited enough from the New Deal to become an increasingly strong part of the electorate behind the Democratic Party The CCC was the only large scale employment program whose existence FDR foreshadowed in speeches during the 1932 campaign and the dearest to his heart throughout the decade that it lasted Alexander reveals how the work itself left a lasting imprint on the country's terrain as the enrollees planted trees fought forest fires landscaped public parks restored historic battlegrounds and constructed dams and terraces to prevent floods A uniquely detailed exploration of life in the CCC The New Deal's Forest Army compellingly demonstrates how one New Deal program changed America and gave birth to both contemporary forestry and the modern environmental movement **Down & Out, on the Road** Kenneth L. Kusmer, 2002 A definitive history of homelessness in the United States page 4 of cover **Forgotten Men and Fallen Women** Holly Allen, 2015-04-09 Holly Allen explores popular and official narratives of forgotten manhood fallen womanhood and other social and moral archetypes during the Great Depression and the Second World War **The M.E. Sharpe Library of Franklin D. Roosevelt Studies: v. 2** Nancy Beck Young, William D. Pederson, Byron W. Daynes, 2019-07-25 This book assesses contrasting interpretations of President Roosevelt's relations with the Nye Committee It explores the complexity confronting Rayburn in weighing the factors that influenced his actions during the New Deal portion of his near half century in Congress *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1977 *Poverty-related Topics Found in Dissertations*, 1976 **A New Deal for the Newcomer** Helen S. Hawkins, 1975 Southern Migrants, Northern Exiles Chad Berry, 2023-02-03 One of the largest internal migrations in U S history the great white migration left its mark on virtually every family in every southern upland and flatland town In this extraordinary record of ordinary lives dozens of white southern migrants describe their experiences in the northern

wilderness and their irradicable attachments to family and community in the South Southern out migration drew millions of southern workers to the steel mills automobile factories and even agricultural fields and orchards of Ohio Indiana Michigan and Illinois Through vivid oral histories Chad Berry explores the conflict between migrants economic success and their spiritual exile in the North He documents the tension between factory owners who welcomed cheap naive southern laborers and local native workers who greeted migrants with suspicion and hostility He examines the phenomenon of shuttle migration in which migrants came north to work during the winter and returned home to plant spring crops on their southern farms He also explores the impact of southern traditions especially the southern evangelical church and hillbilly music brought north by migrants Berry argues that in spite of being scorned by midwesterners for violence fecundity intoxication laziness and squalor the vast majority of southern whites who moved to the Midwest found the economic prosperity they were seeking By allowing southern migrants to assess their own experiences and tell their own stories Southern Migrants Northern Exiles refutes persistent stereotypes about migrants clannishness life style work ethic and success in the North

Franklin D. Roosevelt and Congress William D. Pederson, Byron W. Daynes, 2001 Examines the reactions of particular groups within Congress including those of individual congressmen to the changing role of the federal government during the New Deal era Also examines facets of the New Deal era from a contemporary perspective Franklin D Roosevelt Congress
