Connors, Rémy Davison, Jörn Dosch, 2017-10-30 Now in its new and fully updated third edition *The New Global Politics of the Asia Pacific* continues to provide a compelling analysis of a region undergoing dramatic changes Based on new research and offering fresh interpretation this edition evaluates the prospects for continuing US dominance in the Asian Century Whilst presenting evidence for a multifaceted Beijing Strategy which aims to counter the US by building an alternative regional order it also explains Japan's definitive departure from its limited military role Providing an introductory guide for the main frameworks needed to understand the region including realism liberalism and critical theory this new edition is reader friendly and offers sophisticated competing explanations Key content includes Intra regional conflicts in the South China Sea and the Korean peninsula The different responses within the Asia Pacific to the globalization of Western ideas of democracy and political economy The underappreciated success of the Association of Southeast Asian Nations in building a regional identity The European Union's soft power in the region A highly topical account which offers an overview of the main actors institutions and contemporary issues in the Asia Pacific the book will be essential reading for undergraduate students of Asian Studies International Politics and anyone interested in the region

Geopolitics and Maritime Territorial Disputes in East Asia Ralf Emmers, 2009-09-11 This book examines geopolitics in East Asia focusing in particular on East Asia's contentious maritime territorial disputes It examines how important factors including territory natural resources and power relations influence state behaviour and relations between important powers including the United States China Japan and South Korea International Relations of East Asia Xiaoming

Huang, 2019-12-28 East Asia's rapidly changing role in international security the global economy development and global governance are expertly accounted for in this much needed state of the art text Xiaoming Huang offers an engaging and informed account of the key concepts issues and actors working in this area Ranging from the region's history to culture and a comparative assessment of the region's states this text is informed throughout by a compelling theoretical framework In so doing it unpicks the often complex relationships both at the domestic level and externally Only with this understanding is it possible to make sense of the region's complex relationships both internally and externally Structured around key concepts in international relations of war and peace economic development and increased contemporary security threats this text offers an empirically rich engaging account of the changing fortunes of East Asia **Historical Dictionary of International**

Organizations in Asia and the Pacific Derek McDougall, 2014-10-01 *Historical Dictionary of International Organizations in Asia and the Pacific* Second Edition covers global international and regional organizations in Asia and the Pacific and encompasses both governmental and non governmental organizations This second edition covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 200 cross

referenced entries on important personalities thematic topics and major international issues affecting the region This book is a valuable tool for anyone seeking details about international organizations in Asia and the Pacific and the international context within which those organizations function Diplomacy in Japan-EU Relations Oliviero Frattolillo,2013-06-26 Since the 1950s Japan Europe relations have been characterised by a mutual coldness in terms of diplomatic dialogue punctuated by a number of trade disputes This book analyses the development of the political and diplomatic relationship between Japan and Europe and shows that especially during the Cold War years whilst they share a wide range of political values and goals the quality of diplomatic relations has often been sacrificed to both overcome trade issues and as a result of systemic factors Focusing on the institutionalization of relations between Japan and the EU this book examines both the historical diplomatic dimension and political strategic discourse It traces the historical development of the relationship from the post war years to the signing of the Japan EU action plan in 2001 which marked a key turning point in the relationship It goes on to examine the achievements and criticisms of ASEM the Asia Europe Meeting which whilst meeting successfully for the past sixteen years has also been condemned as little more than a talking shop Crucially Oliviero Frattolillo s analysis clearly demonstrates how the interaction between Japan and the EU has been constructed on the basis of their perceptions of each other thus underlining the inherent impact of different political identities cultures and values on international relations Providing a keen insight into Japan EU relations this book will appeal to students and scholars of Japanese and European history and politics as well as those interested in the history of international relations and security studies India and Japan: Growing Partnership and Opportunities for Co-operation D Dhanuraj,2019-08-26 This e book is a compilation of the papers presented by the speakers during a two day International Conference curated around the theme India and Japan Growing Partnership and Opportunities for Cooperation organised by CPPR Centre for Strategic Studies Kochi in collaboration with the Consulate General of Japan in Chennai on February 26 27 2019 at Riviera Suites in Kochi It consists of eight chapters providing a comprehensive outlook on India Japan relations *Asia Pacific in the New World Politics* James Chieh Hsiung,1993

Urban Schools and English Language Education in Late Modern China Miguel Pérez-Milans,2013-07-24 Shortlisted for the 2014 BAAL Book Prize This book explores the meaning of modernization in contemporary Chinese education It examines the implications of the implementation of reforms in English language education for experimental urban schools in the People s Republic of China P rez Milans sheds light on how national linguistic and cultural ideologies linked to modernization are being institutionally re produced legitimated and inter personally negotiated through everyday practice in the current context of Chinese educational reforms He places special emphasis on those reforms regarding English language education with respect to the economic processes of globalization that are shaping and being shaped by the contemporary Chinese nation state In particular the book analyzes the processes of institutional categorization of the good experimental school the good student and the appropriate knowledge that emerge from the daily discursive organization of

those schools with special attention to the related contradictions uncertainties and dilemmas Thus it provides an account of the on going cultural processes of change faced by contemporary Chinese educational institutions under conditions of late modernity Winner of The University of Hong Kong s Faculty Early Career Research Output Award for outstanding book publication by the Faculty of Education *The International Politics of the Asia Pacific* Michael Yahuda,2011-01-31 This fully revised third edition of Michael Yahuda s extremely successful textbook brings the region fully up to date introducing students to the international politics of the Asia Pacific region since 1945 As well as assessing the post Cold War uncertainties that challenged the balance and power within the region Yahuda also examines the first decade of the new millennium which includes no let up on the war on terror new political administrations in all the key player states and increased cooperative security between some nations polarized by volatile relationships between others Analyzing politics in terms of global regional and local trends this new edition features In depth discussion of the Bush administration s legacy and where the Obama administration s vision takes their policy Analysis of post Koizumi post Abe Japan Examination of the continued rise of China in terms of politics security and economic dominance Ongoing debates concerning the war on terror and how this shifts forms and reforms relationships Asia Pacific security issues This new third edition will continue to be a core text for students of Asian politics international relations and Cold War history
