Department of the Army, 1971 **Pacific Islands and Trust Territories** Army Library (U.S.), 1971 New Guinea David Alexander MacLure Lea, Peter George Irwin, 1971 **New Guinea** Clive Moore, 2003-07-31 New Guinea the world s largest tropical island is a land of great contrasts ranging from small glaciers on its highest peaks to broad mangrove swamps in its lowlands and hundreds of smaller islands and coral atolls along its coasts Divided between two nations the island and its neighboring archipelagos form Indonesia s Papua Province or Irian Jaya and the independent nation of Papua New Guinea both former European colonies Most books on New Guinea have been guided by these and other divisions separating east from west prehistoric from historic precontact from postcontact colonial from postcolonial This is the first work to consider New Guinea and its 40 000 year history in its entirety The volume opens with a look at the Melanesian region and argues that interlocking exchange systems and associated human interchanges are the invisible government through which New Guinea societies operate Succeeding chapters review the history of encounters between outsiders and New Guinea s populations They consider the history of Malay involvement with New Guinea over the past two thousand years demonstrating the extent to which west New Guinea in particular was incorporated into Malay trading and raiding networks prior to Western contact The impact of colonial rule economic and social change World War II decolonization and independence are discussed in the final chapter *Pacific Affairs*, 1968 Includes book reviews and bibliographies *Ethiopia and the Horn of Africa* United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on African Affairs, 1976 The Oxford Handbook of Ritual Language David Tavárez, 2024-11-04 This volume brings together representative case studies and surveys that explore research into ritual language covering theoretical and methodological approaches that reflect traditional inquiries and more recent studies This recent literature contends that ritual language hinges on the construction of authoritative ontological models about the cosmos and its inhabitants Ritual speech also orchestrates performances that articulate representations of collective identities and rests on the diversity of

hierarchical forms of authoritative knowledge displayed in both oblique and direct terms Moreover performances texts and narratives associated with ritual practices are closely entwined with historical accounts that navigate current memories recast in a diversity of ways about ancestral beings and distant or recent pasts or delimit a terrain in which dialectical relationships with colonial hegemony and Christian indoctrination emerge to transform the social order Ritual narrative often offers in its structure and delivery momentous representation of the social order social institutions social difference and collective identities and may also be constituted by claims about relations among species non human actors and material culture The Oxford Handbook of Ritual Language addresses foundational questions regarding the scope structuring use and consequences of ritual language The chapters examine the relationship between speakers consciousness and verbal ritual performances and between ritual language hegemony collective authority and the social world As the study of ritual speech hinges on extensive analyses of linguistic choices and styles the contributors draw on data from a wide range of language groups and societies in the Americas the Middle East the Pacific South Asia and the Indian Ocean
