New Hacienda:

The New Hacienda Karen Witynski, Joe P. Carr, 2003 Travel behind the scenes with authors Karen Witynski and Joe P. Carr as they open the doors to Mexico's remote country estates and reveal innovative interiors, artifacts and antiques that echo the hacienda's original architectural splendor

Casa de Hacienda Germán Téllez, Antonio Castañeda, 1997 Traveling the country in search of the most significant aspects of Colombia's colonial ranch houses, this book brings to life the convergence of decisive elements of the country's past and tradition. These ranch houses were the scene of struggles, epiphanies and downfalls in the country's history, all evoked through the point of view of a historian specializing in architecture

Hacienda Style Karen Witynski, 2008-02-25 Invite the rich colors, natural textures and romantic beauty of Mexico into your home. With a vast architectural legacy spanning four centuries, Mexican haciendas express a rugged romantic beauty and compelling sense of history. Today the hacienda's graceful arcaded silhouette, grand scale proportions, carved stone ornament, rich colors and natural textures have become an ever-increasing influence for architects and designers worldwide. Hacienda Style invites you into Mexico's artful hacienda havens resplendent with private collections of colonial and contemporary art, antiques and found relics. Witynski and Carr's antiques and accents have appeared in national magazines, television programs and feature films, including Architectural Digest, Western Interiors, HGTV's Takeover My Makeover, The Oprah Winfrey Show and The Alamo. Other books by the same authors: Mexican Country Style, The New Hacienda, Casa Adobe, Adobe Details, Casa Yucatan and Mexican Details

Biography of a Hacienda Elizabeth Terese Newman, 2014-04-17 Winner James Deetz Book Award, Society for Historical Archaeology. Biography of a Hacienda is a many-voiced reconstruction of events leading up to the Mexican Revolution and the legacy that remains to the present day. Drawing on ethnohistorical, archaeological and ethnographic data, Elizabeth Terese Newman creates a fascinating model of the interplay between the great events of the Revolution and the lives of everyday people. In 1910 the Mexican Revolution erupted out of a century of tension surrounding land ownership and control over labor. During the previous century the elite ruling classes acquired ever-increasingly large tracts of land while peasants saw their subsistence and community independence vanish. Rural working conditions became so oppressive that many resorted to armed rebellion. After the war, new efforts were made to promote agrarian reform and many of Mexico's rural poor were awarded the land they had farmed for generations. Weaving together fiction, memoir and data from her fieldwork, Newman reconstructs life at the Hacienda San Miguel Acocotla, a site located near a remote village in the Valley of Atlixco, Puebla, Mexico. Exploring people's daily lives and how they affected the buildup to the Revolution and subsequent agrarian reforms, the author draws on nearly a decade of interdisciplinary study of the Hacienda Acocotla and its descendant community. Newman's archaeological research recovered information about the lives of indigenous people living and working there in the one hundred years leading up to the Mexican Revolution. Newman shows how women were central to starting the revolt and she adds their voices to the master narrative.

Biography of a Hacienda concludes with a thoughtful discussion of the contribution of the agrarian revolution to Mexico's history and whether it has succeeded or simply transformed rural Mexico into a new global hacienda system *Casa Yucatan* Karen Witynski, Joe P. Carr, 2002 A dazzling photographic journey Casa Yucatan focuses on architectural elements water spaces and open air living in houses both colonial and contemporary including haciendas and coastal retreats Casa Adobe Karen Witynski, Joe P.
