content review and testing practice And the text review is New Jersey specific not just simplistic national content but terse relevant and accurate New Jersey laws and regulations presented as a well organized set of state key point reviews ideal for pre test memorization But let s not dismiss the importance of the national content either NJ RELEP s national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast Our content is drawn from our own national textbook Principles of Real Estate Practice one of the most widely used principles textbooks in the country Finally our national content as well as our question selection is further tailored to the state testing outline promulgated by PSI for New Jersey Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state s testing service and your New Jersey license exam A word about the test questions NJ RELEP s testing practice section consists of ten national practice tests six state practice tests and one state exam sample test The practice tests are roughly 50 questions in length and the sample test is 100 questions The test questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of information tested by your state exam The questions are direct to the point and designed to test your understanding When you have completed a given test you can check your answers against the answer key in the appendix You may also note that each question s answer is accompanied by a brief explanation or rationale to further reinforce your understanding In the end as you know it s all up to you Unlike other publications we are not going to tell you that using this book will guarantee that you pass your state exam It still takes hard work and study to pass But we have done our best here to get you ready Following that the most we can do is wish you the best of success in taking and passing your New Jersey real estate exam So good luck For students looking for a New Jersey textbook to complements New Jersey Real Estate License Exam Prep we have Principles of Real Estate Practice in New Jersey **New Jersey Exam Prep** Dearborn,2001 **The New Jersey Real Estate License Act** State of New Jersey,2021-11-04 This Reference Manual contains the entire New Jersey Real Estate License Law N J S A 45 15 1 et seq as amended through P L 2019 Chapter 177 of the 2019 Second Annual Session of the New Jersey 218th Legislature and all rules issued under the statute through the New Jersey Register Vol 49 No 13 July 3 2017 The text of the statute is an exact duplication of the official text of the law with minor changes and updates The text of the rules is an exact duplication of the official text found in Title 11 Chapter 5 of the New Jersey Administrative Code with minor changes and updates This reference manual is being furnished to real estate licensees by GeneralReferral com It is being provided so that licensees may have the benefit of a current publication of the New Jersey License Law and the Rules promulgated thereunder The Real Estate Commission urges all brokers to make this manual part of their office library conveniently available to all licensees This reference manual project was originally authorized pursuant to N J S A 45 15 16 2 as an educational and informational project This updated and accessible version of the manual is produced by the team at General Referral a New Jersey real estate referral brokerage The New Jersey Real Estate Commission was created in 1921 by an act
