The New Kid Welcome/Welcome the New Kid Suzanne Slade, 2022-07-19 When read forward and backwards this clever and thought provoking flip it story demonstrates that there's more than one way to think about someone who might seem different at first glance It isn't easy to say hi to someone new is it Told from the perspective of a student *The New Kid Welcome* or *Welcome the New Kid* when flipped presents readers with two versions of what happens when a new kid joins the protagonist's school In the first half of the book the student tells us that they don't want to be nice to the new kid or welcome them into their group simply because they seem different In the second half the same lines of the story are placed in reverse order When read this way the student encourages us to say hello to someone new saying they will share
