New Letters of Abigail Adams, 1788-1801 Abigail Adams, 1947 New Letters of Abigail Adams, 1788-1801 Abigail Adams, 1991-10-01 Bonded Leather binding *The Literature of the American People* Arthur Hobson Quinn, 1951 **New Letters of Abigail Adams 1788-1801** Stewart Mitchell, 2007-03-01 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Biographical Books, 1950-1980** R.R. Bowker Company. Department of Bibliography, 1980 With the Hammer of Truth Michael Durey, 2013-01-17 Reynolds of a team of hired pens who helped stem the Federalist tide in Philadelphia in the 1790s Unruly Americans and the Origins of the Constitution Woody Holton, 2008-10-14 Average Americans Were the True Framers of the Constitution Woody Holton upends what we think we know of the Constitution s origins by telling the history of the average Americans who challenged the framers of the Constitution and forced on them the revisions that produced the document we now venerate The framers who gathered in Philadelphia in 1787 were determined to reverse America s post Revolutionary War slide into democracy They believed too many middling Americans exercised too much influence over state and national policies That the framers were only partially successful in curtailing citizen rights is due to the reaction sometimes violent of unruly average Americans If not to protect civil liberties and the freedom of the people what motivated the framers In *Unruly Americans and the Origins of the Constitution* Holton provides the startling discovery that the primary purpose of the Constitution was simply put to make America more attractive to investment And the linchpin to that endeavor was taking power away from the states and ultimately away from the people In an eye opening interpretation of the Constitution Holton captures how the same class of Americans that produced Shays s Rebellion in Massachusetts and rebellions in damn near every other state produced the Constitution we now revere *Unruly Americans and the Origins of the Constitution* is a 2007 National Book Award Finalist for Nonfiction **Building Washington** Robert J. Kapsch, 2018-05-15 While there have been many books on the architecture and planning of this iconic city *Building Washington* explains the engineering and construction behind it **Scandalmonger** William Safire, 2001 A historical novel based on five scandals in 1790 s America **George Washington** David O. Stewart, 2021-02-09 A fascinating and illuminating account of how George Washington became the dominant force in the creation of the United States of America from award winning author David O Stewart An outstanding biography George Washington has a narrative drive such a life deserves *The Wall Street Journal* Washington s rise constitutes one of the greatest self reinventions in history In his mid twenties this third son of a modest Virginia planter had ruined his own military career thanks to an outrageous ego But by his mid forties that headstrong unwise young man had evolved into an unassailable leader chosen as the commander in chief of the fledgling Continental Army By his mid fifties he was unanimously elected the nation s first president How did Washington emerge from the wilderness to become the central

founder of the United States of America In this remarkable new portrait award winning historian David O Stewart unveils the political education that made Washington a master politician and America s most essential leader From Virginia s House of Burgesses where Washington mastered the craft and timing of a practicing politician to his management of local government as a justice of the Fairfax County Court to his eventual role in the Second Continental Congress and his grueling generalship in the American Revolution Washington perfected the art of governing and service earned trust and built bridges The lessons in leadership he absorbed along the way would be invaluable during the early years of the republic as he fought to unify the new nation
